BENEFITS

Enhance your understanding of Microsoft 365 Copilot through Softlading's Microsoft 365 Copilot Accelerator. Our Microsoft-certified experts will work with you to assess your current state, identify your goals and challenges, and design a roadmap for AI implementation and value realization. You will also participate in a series of workshops where you will learn how to use Microsoft 365 Copilot to enhance your productivity, collaboration, and innovation.

By joining Softlanding's Microsoft 365 Copilot Accelerator, you will enjoy the following benefits:

› **EVALUTATION OF YOUR ORGANIZATION'S READINESSS**

Conduct a rapid and comprehensive evaluation of your organization's readiness for Microsoft 365 Copilot, covering aspects such as technical readiness, data security & compliance, and adoption success.

› **GAIN INTELLIGENCE INTO YOUR DATA SECURITY**

Gain intelligence into your data security and content management best practices and learn how to apply them to your Microsoft 365 Copilot usage to ensure compliance and protection of your sensitive information.

› **SET YOUR ORGANIZATION UP FOR SUCCESS**

Receive an actionable roadmap and a management briefing to ensure your organization maximizes its AI investment.
