

Microsoft Teams Production Pilot

Accomplish more, anywhere

OVERVIEW

Redefining How Businesses Work

The ultimate collaboration hub for your organization, Microsoft Teams brings together a number of the most important applications that your workforce uses on a daily basis, including Microsoft office-based programs and web-based applications. Whether you're co-authoring a document, having a meeting, or working together in other apps and services, Microsoft Teams brings a comprehensive and flexible environment for collaboration across applications and devices.

WHAT'S INCLUDED

Let Softlanding enhance how your organization collaborates using Microsoft Teams.

> ENVIRONMENT REVIEW

Understand how Teams can seamlessly integrate into your organization and improve how you communicate. Get to know the power of creating Teams, communication features, navigation tips and more.

> PLANNING AND IMPLEMENTATION

Softlanding works with your organization to best understand your organizational needs and objectives. From there we work together to establish the plan of execution and success criteria for implementation.

> GOVERNANCE POLICIES

Additional workshop to discuss organizational governance policies for Teams. Everything from who manages access and ownership, to Teams integrations with other Office 365 Services will be reviewed.

About Softlanding

Founded in 2000, Softlanding is a leading provider of cloud, professional and managed IT services. We are a multi-award-winning Microsoft Gold Partner with 10 Microsoft Gold Competencies and we use our experience and expertise to solve our client's business challenges while creating a solid foundation for growth strategies, flexibility and scalability.

KEY BENEFITS

Work better with real-time connectivity to collaborate regardless of where you're working from. At Softlanding, we are committed to helping you get the very best from the digital tools and applications you use.

INCREASED PRODUCTIVITY

Enhance your productivity no matter where you work from. Microsoft Teams lets you collaborate more effectively with group chat, calling, web conferencing and more.

ADAPTABLE

Every team is different; there's no one-size-fits-all approach to collaboration. Adapt each workspace to the needs of your team or project with numerous platform functions.

SECURITY AND GOVERNANCE

Keep your team secure with end-to-end security, administrative control, and compliance powered by Office 365.

WORK TRANSFORMATION

A major part of the delivery of Teams is implementing proper governance and change management around the use of the tool for your organization's individual needs.
