ABOUT AZURE CLOUD READINESS REVIEW

SoftServe Azure Cloud Readiness Review lets you quickly jump into the Microsoft Cloud Adoption Framework concept. During the two days, you will learn what CAF is, how it works, and how it can improve your cloud journey. You will discover how your efforts follow industrial best practices and get an action plan tailored to your needs. Our experts will guide you through a series of challenging questions to check your current cloud journey state and create a general vision of direction and priorities you need to focus on first to make your efforts effective.

IN 2 DAYS, YOU WILL GAIN:

- Clear vision of all cloud adoption aspects including strategy, organization, people, technology and industry regulations
- Awareness of industry best practices and how they are applicable to your reality
- Score of your cloud adoption efforts against Microsoft Cloud Adoption Framework
- Action plan to be effective in your Azure cloud adoption.
