

Sogeti Microsoft Power Platform offerings

Sogeti provides a one-stop shop set of offerings around the Power Platform. Our offer comprises consultancy and training, along with solution build, legacy migration and platform development.

We have expert resources and services around Power Apps, Power BI, Power Automate and Power Virtual Agents. Our strong set of Microsoft Power Platform capabilities and ready to use offerings help you implement new applications at the core of your business - faster.

Leverage Sogeti's tried and tested processes, platforms, accelerators and our experienced professionals to help your organization:

- **Upskill and build Knowledge internally**
 - Remote App in a day session
- **Maintain and Optimize**
 - Run your Power Platform CoE and provide teams to develop Apps as a Service

- **Build Apps together**
 - App in a Week
 - Hackathons
 - Low code Thinkubator (from business ideas to working app in weeks)
 - Innovation factory (joint offering with Microsoft) – fixed price quick start with software bundle included
- **Scale out the Power Platform to your Enterprise**
 - Create the foundation and baseline using our best practices and accelerators to build you a CoE and App Factory (staffed with your people or ours or a combination of both)
 - Power Boost Library – re-use of our best practices, custom connectors and other accelerators that can be used to accelerate Power Platform adoption and development
