

Make learning pad part of your day.

All organizations have the need to adapt to this digital era and with this hold their best talent. A recent LinkedIn report shows that 94% of the employees will stay longer in a company if this could invest in their training development.

Viva Learning makes this learning opportunities possible, by adding all the resources available in one place, including content of LinkedIn Learning, Microsoft Learn, external providers, and our company training content.

Why Overcast?

With Overcast, your company experience will be unique, we can provide your coworkers all the experience of our collaborators, that will make this process easy to assume and adopt this new way to learn and explore all the options that Microsoft Viva Learning have for you. We help you in the process to empower employees to make learning a natural part of their day. Our team will work with you to understand your priorities, challenges, and culture to design a solution that meet your needs.

With Viva Learning integrated in Microsoft Teams your teams now will:

- ✓ **Search and share** easily all the learning content in Microsoft Teams chats with a group of people.
- ✓ **Discover** learning content.
- ✓ **See status** of learning recommendations and **track the finish status** of each content.
- ✓ **Access to trainings directly through Teams**, see all the details and save them for later.

Approach & Deliverables

Configuration
