

# Meeting Rooms for Microsoft Teams

## Modern meeting experiences and deploying Microsoft Teams Meeting Rooms devices

Turn any room into an easy-to-use and inclusive meeting space where everyone can fully participate from anywhere.

Keep devices secure, reliable, and up to date with rich management capabilities and powerful analytics.

With Microsoft Teams Rooms, you can help people stay connected, collaborate seamlessly, and simplify work, in a secure and compliant way – all in one place.

Start meetings on time with one-touch join, then instantly project to the display in the room and share to remote participants.

Fully manage and keep devices up to date, and ready to go with the in Teams Admin Center, enable 24x7 proactive management from Microsoft with Microsoft Teams Rooms Premium
