

LiveJobsite

WE PRE-ORDER COFFEE...

WHY ARE WE WAITING DAYS FOR CRITICAL PROJECT DATA?

INTRODUCING **LiveJobsite**

Because you need to **KNOW** what's happening on your projects – **NOW!**

Owners, Management and Stakeholders have higher expectations

- Budget and timeline overruns decrease profits
- Post completion audits are inefficient and costly

With **LiveJobsite**, project visibility is everything

- Respond to critical compliance, revenue and cost project data in real time
- Display auditable project realities in real time on an interactive map

LiveJobsite makes field data capture effortless

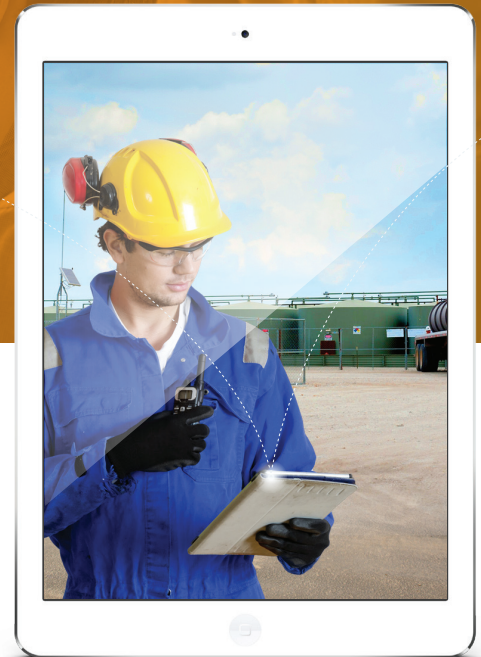

- Eliminate duplicate entries and unnecessary administrative burden
- Simple, cost effective implementation

What Users are saying about **LiveJobsite**

"Tracking and reporting who and what is on site is a painful and time consuming process. **LiveJobsite** has changed everything. No more wasted time on duplicate data entry. Data is entered once and available to everyone who needs it. Viewing my jobsite details on a live map allows me to make critical business decisions fully informed."
