99% of our Law Firm customers experience 100% up-time

Your Law Firm applications AND computer systems WILL WORK BETTER than ever.

200+ Law Firms over 25 years trust SpliceNet Consulting because we are the **MOST EXPERIENCED LAW PRACTICE PROFESSIONALS** around.

We know and support NetDocuments, Cosmolex, Centerbase, Time Matters, PCLaw, Amicus Attorney, Timeslips, Clio, eDocs, iManage, Worldox, LegalFiles, BestCase and many more.

Managed IT Support

Managed IT services encompass operational, technical, and staff management aspects. It provides less reactive service delivery and focuses more on delivering value to internal and external customers.

Cybersecurity

Don't assume your law firm is not a target for a cyberattack. SpliceNet Protects You Against Ransomware, Spyware, Viruses and Other Cyber Threats

IT Consulting

Microsoft 365 Migrations, Server upgrades, Cloud Migrations and more, SpliceNet Consulting will deliver your IT Project on time and without downtime or surprises.

VoIP Phones

Save money, fire the phone company and see what a VoIP phone system can do to help your firm work from anywhere.
