Competencies and Specializations

The Problem

- Organizations want to provide courses and assessments for their employees
- Viva Learning can host these courses and assessments
- HOWEVER, Viva Learning lacks the ability to validate employee's completion and engagement

The Solution

The Spyglass Corporate E-Learning with Viva offering leverages Viva Learning, Viva Connection, and Power Platforms to provide organizations with a training solution that empowers their employees to take advantage of the available tools to boost overall performance.

- Allows employers the valuable insights that come along with these company provided courses and assessments.
- Spyglass Corporate E-Learning with Viva is a full-service model from requirements, scoping, design, development, support as well as administration and management for the platform as desired.
- 5 weeks
- \$25,000

Our Approach

- Leverages an agile methodology to quickly develop and deploy all of your Viva and Power Platform needs including Power Apps, Power Automate, Power BI, RPA, and Power Portal
- Agenda
 - Week 1- Requirements & Design & Dev Begin
 - Week 2- Development Continues
 - Week 3- Development Continues
 - Week 4- Development Continues & Testing
 - Week 5- Testing & Deployment
- Deliverables
 - A fully deployed Viva Learning, Power App, Power Automate, Power BI, RPA, or Power Portal solution
