📦 OUR PACKAGE

Present in a fresh new way.

Transform the presentation style of your work with our new format featuring video and model presentations. You can try it out here.

Now available for you to try out at:

3 STEP

Simple as can be, to create your artistic masterpieces.

And with NIMITR, turning your AR ideas into reality will no longer be a challenge.

01 Choose Marker

Choose the marker you want to use as a target for displaying the video or model

02 Upload Media

Upload the video or model you want to showcase.

03 Enjoy!

Open the link obtained from the project to access the presentation instantly.

Why Choose **NIMITR**

Adjusted by yourself.

Content is not necessary as you can manage it freely and independently.

Free

Free to use, no charges apply.

Easy and fast.

That's right! We have developed a well-designed system for you to use with minimal steps.

Video examples of application.
