Create Organization

- If you are a new user, the first time to login, the dialog of creating a new organization will prompt out automatically.
- You can also create another new organization as you wish. The entry is show below:

Add Users into Organization

- Click the Settings button below to enter the page to edit the users in the organization. Only the user with admin role is allowed to edit users.

The image shows a dark-themed sidebar menu for the 'Suger' application. The sidebar contains the following items: 'Product Listing' (with a grid icon), 'Private Offer' (with a document icon), 'Entitlement' (with a document icon), and 'Metering' (with a circular arrow icon). A dropdown menu is open, displaying the following options: 'Suger Inc' (with ID w43Vc6UfM and URL www.suger.io), 'Suger Inc Two' (with ID d9ELeSwfM and URL www.suger.io), 'Settings' (with a gear icon), and 'Create Organization' (with a grid icon).
