Microsoft Viva Learning Skilling and growth

Make learning a natural part of your day

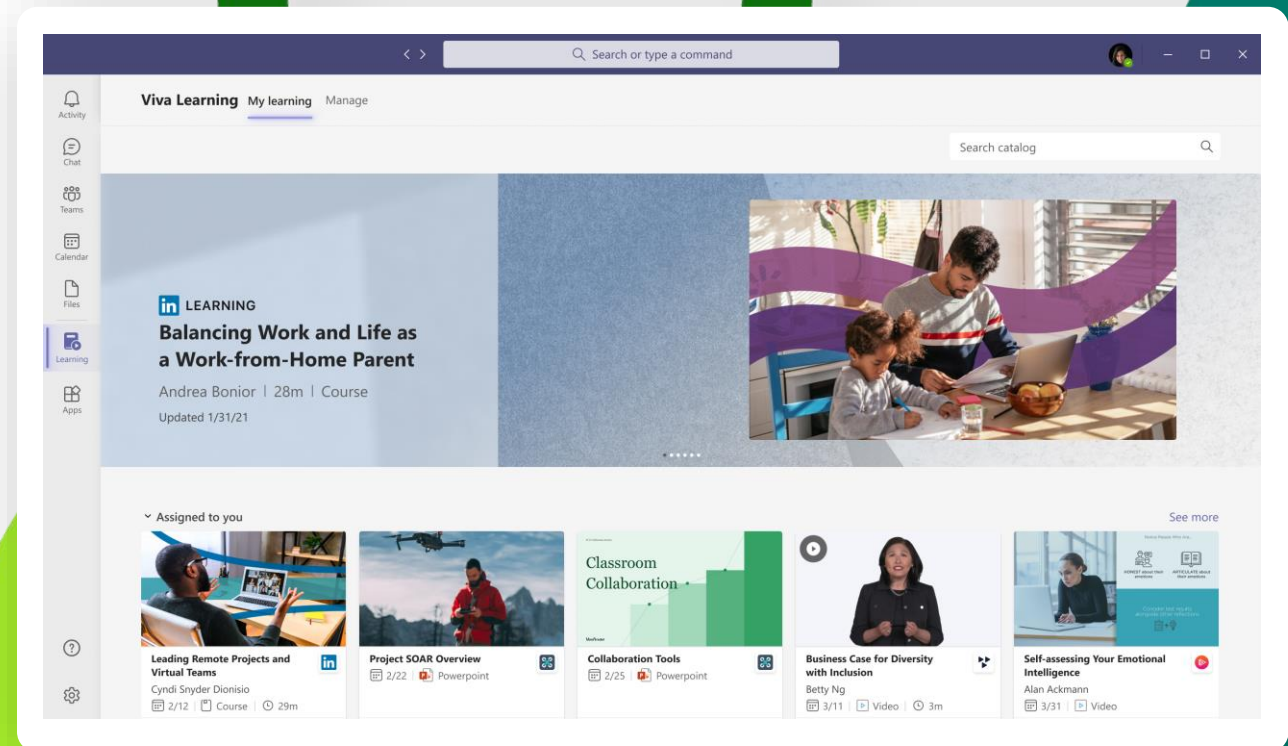

Foster a culture of learning by enabling people to easily discover, share, and engage with learning integrated into Microsoft 365.

Make your learning content available in one place

Simplify the learning experience by bringing together world class content from LinkedIn Learning, 3rd parties, Microsoft Learn, and your own content.

Drive results that matter

Empower your leaders and employees to organize, recommend, and track learning aligned with business outcomes.

Learn while working

- Viva Learning is a centralized learning hub in Microsoft Teams that lets you seamlessly integrate learning and building skills into your day
- In Viva Learning, your team can discover, share, recommend, and learn from content libraries provided by both your organization and partners. They can do all of this without leaving Microsoft Teams
- Viva Learning is enabled by default for all Microsoft Teams users in your organization. You can turn on Viva Learning at the organization level on the Manage apps page in the Microsoft Teams admin center

Viva Learning

- When you open Viva Learning in Microsoft Teams, you'll see a personalized view of learning content from both your organization and partners such as LinkedIn Learning. As you continue to search for and complete more training, your recommended content will update to reflect your interests.
 - Easily find learning opportunities provided by your organization
 - Browse courses from Microsoft and third-party content providers
 - Search for specific learning content that appeals to you or supports your career goals
 - Share relevant and important learning content with your team members in a Microsoft Teams
 - Organize your custom selections of learning content in Microsoft Teams channels and tabs
