Sulava

Windows 11 – Kick Off Service Offering

SULAVA

SULAVA WINDOWS 11 KICK-OFF DESCRIPTION

Windows 11 is not just a typical Windows feature update – it is a natural enabler for moving towards cloud-based device management and boosts to productivity.

Sulava's experienced consultants will help you realize the true value of Windows 11 and its place in your IT roadmap along with supporting actions required for a successful roll-out.

During the kick-off, your organization will get visibility and preparation steps for concrete piloting and moving on to Windows 11.

SULAVA

WINDOWS 11 – WHY

PRODUCTIVE & COLLABORATIVE

Reach your individual and team goals with built-in assistance features in Windows 11
