

Why CMMC Managed Security Solutions?

01

DIB Focused

Summit 7 is the #1 Managed Service Provider / Managed Security Service Provider for the DIB

02

24/7 US-based Support

Summit 7's staff of US Citizens with Background Checks is always prepared to respond to your needs

03

Cloud Security Support

We provide strategy and roadmap planning for the shifting cloud journey and ever-changing compliance landscape

04

Security Monitoring

Actively monitoring systems and security devices in scope

05

Microsoft Premier Support

We can work directly with Microsoft on your behalf to create/escalate support tickets with no minimum contract

06

SRM

Support for the natural capturing, identifying, and dividing of responsibilities between customers and providers required for CMMC 2.0 compliance

Leveraging The E5 and Azure

Summit 7 leverages the **M365 E5 and Azure Gov** to configure the robust suite of **Purview and Priva** to enable these functions:

- MXDR – Managed Extended Detection and Response
- Azure Sentinel
- Conditional Access
- B2B Collaboration
- Defender for Endpoint
 - Defender for Identity
 - Defender for Cloud
 - Defender for Office 365
 - Defender for Cloud Apps
- SSPR
- Purview Microsoft Information Protection
- Azure AD Information Proxy
- Defender for Cloud Apps

GUARDIAN
