

## THE #1 MSSP SOLUTION FOR THE DIB

### DIB Focused

Summit 7 is the #1 MSP and MSSP for the Defense Industrial Base (DIB), specializing in compliance and security.

### 24/7 Threat & Intel Support

Our team of US Citizens, with background checks, is ready to monitor and support your environment anytime.

### Attack Surface Assessments

Gather and report on publicly available intelligence on your organization.

### Vulnerability Reporting & Remediation

Continuously monitor endpoints for threats and vulnerabilities and implement remediation measures to address them.

### Shared Responsibility Model

Support responsibilities between Clients and Service Providers required for CMMC 2.0 Compliance.
