# Let's talk about it

## 1. WHAT'S THE PROBLEM?

Employee retention, feedback, and leadership surveys can be hard to coordinate and execute

## 2. HOW'S IT WORK?

Easy, clean, customizable, painless, low-lift, and high-quality reporting and service

## 3. WHAT'S THAT LOOK LIKE?

Ongoing support from true experts in the space who act as *partners*

**1.**

# **WHAT'S THE PROBLEM?**

**Employee retention, feedback, and  
leadership surveys can be hard  
to coordinate and execute**

# Don't know where to begin?

## We provide guidance.

SurveyConnect provides end-to-end support and expertise in survey and assessment design, implementation, and reporting, ensuring a seamless and effective feedback process.

# Need candid feedback?

## We help with this.

SurveyConnect ensures anonymity throughout the survey process, encouraging honest and candid responses by aggregating data and maintaining confidentiality.

Results need to be simple.

Employees can understand.

SurveyConnect offers advanced tools, intuitive reports, actionable insights, and debriefing sessions to help you confidently analyze feedback, understand its implications, and make informed decisions.

**2.**

## **HOW'S IT WORK?**

**Easy, clean, customizable, painless,  
low-lift, and high-quality  
reporting and service**

# Painless for you.

Everything is up to you. We provide flexibility and expertise to make your vision a reality. Our team supports you every step of the way.

# Easy for raters.

Survey respondents get a simple email with a link to complete the survey, and can save progress if they need to.

# Clean for participants.

Participants can review their results, self-rate, and more - however you choose to set them up.

**3.**

## **WHAT'S THAT LOOK LIKE?**

Ongoing support from true experts in the  
space who act as *partners*

# Seamless experience.

## No hassle.

Run one or many surveys with the same or different experiences for participants and raters. Navigate through surveys and results easily, and automate any parts you want to stay out of.

# Robust reporting.

## Results - how you want them.

Adjust the data points you want on each survey, the way the data is presented, and even how the report is structured - thanks to our flexible reporting choices.

Tier 1 support.

Impeccable service.

Our team of knowledgeable implementation, support, and service representatives is guaranteed to take excellent care with your survey experience.

# We deliver best-of-breed, all-in-one, integrated solutions.

## Staff Scheduling

Robust scheduling suite with labor generation based on sales, customers, transactions, or any determinant.

## Sales Analytics

Sales sync with common POS, automated AI-based sales forecasting with 98.87% hourly accuracy.

## Timekeeping & Attendance

Enforced timekeeping suite with restricted clocking, meal and rest periods, and automated notifications.

## Labor and Sales *Together*

When all of the data is centralized, customers can access advanced real-time operational insights.

## ATS & Onboarding

Seamless job posting, candidate review, and new hire onboarding for the best hire, every time.

## Task Management

Centralized, automated, smart task lists for managers allow image capture and precise records.

## Labor Compliance

In-house labor law compliance for all major U.S. & Canadian regulations and Fair Workweek.

## Budget Optimization

Keep costs where you want them and make sure managers know about threats to payroll expectations.

# We deliver best-of-breed, all-in-one, integrated solutions.

## Hyper-local Recruiting

Provides 11 million shift-work jobseekers access to TimeForge job postings, for an ever-improving applicant flow.

## Earned Wage Access

EWA with real-time access to actual worked hours improves employee retention with risk-free payouts.

## Reliable, Easy Payroll

Circumvent double-data-entry and ensure precise, accurate payrolls and taxes.

## Employee Recognition

Businesses can reward A-Players automatically, based on live TimeForge performance data, with real-time visibility.

## Hospitality Gig Workers

TimeForge managers have access to verified local freelancers who are experienced and ready on Day 1.

## Surveys and 360s

Robust review options provide high-touch, flexible survey delivery and reporting for training and retention.

## Retail Gig Workers

TimeForge managers have access to verified local freelancers who are experienced and ready on Day 1.

## Learning Management

Full content libraries, configurable custom courses, and metric-driven reporting for growth and improved retention.
