

Application Modernization with AI Jumpstart

Powered by Microsoft Azure

Transform and Modernize Applications to Take Advantage of New Technologies and AI Powered Features

BDO Digital's diversity of experience has helped organizations all around the world transform their technology landscape across industries, agnostic of size and scope.

BDO Digital can help build whatever it is you need and we work together with your teams to meet you where you are.

We look forward to helping you achieve your modernization goals. **Faster.**

50,000+ GLOBAL CUSTOMERS

300+ APPLICATION SPECIALISTS

Application Modernization with AI Jumpstart

In today's fast-paced business landscape, modern applications drive workflows, enhance worker productivity, and spur digital transformation.

In just 6 weeks, BDO Digital will work with you to define your business cases, identify & ideate opportunities to integrate AI, and build a proof-of-concept application using the latest technologies, powered by Microsoft Azure.

TYPICAL CLIENT CONCERNS

Legacy Applications

Old and outdated applications can be costly to maintain

Business Growth

Hosting and functionality constraints can hold back growth

Productivity

New workflows and changing demands may pose software challenges

Operations & Overhead

Legacy and on-prem applications may require more attention to maintain

HOW BDO CAN HELP

Modernize Legacy Applications - Pay off technical debt and transform applications to leverage PaaS services

Adoption of Latest Technologies - Connect and enable new technologies like AI, data science, and more

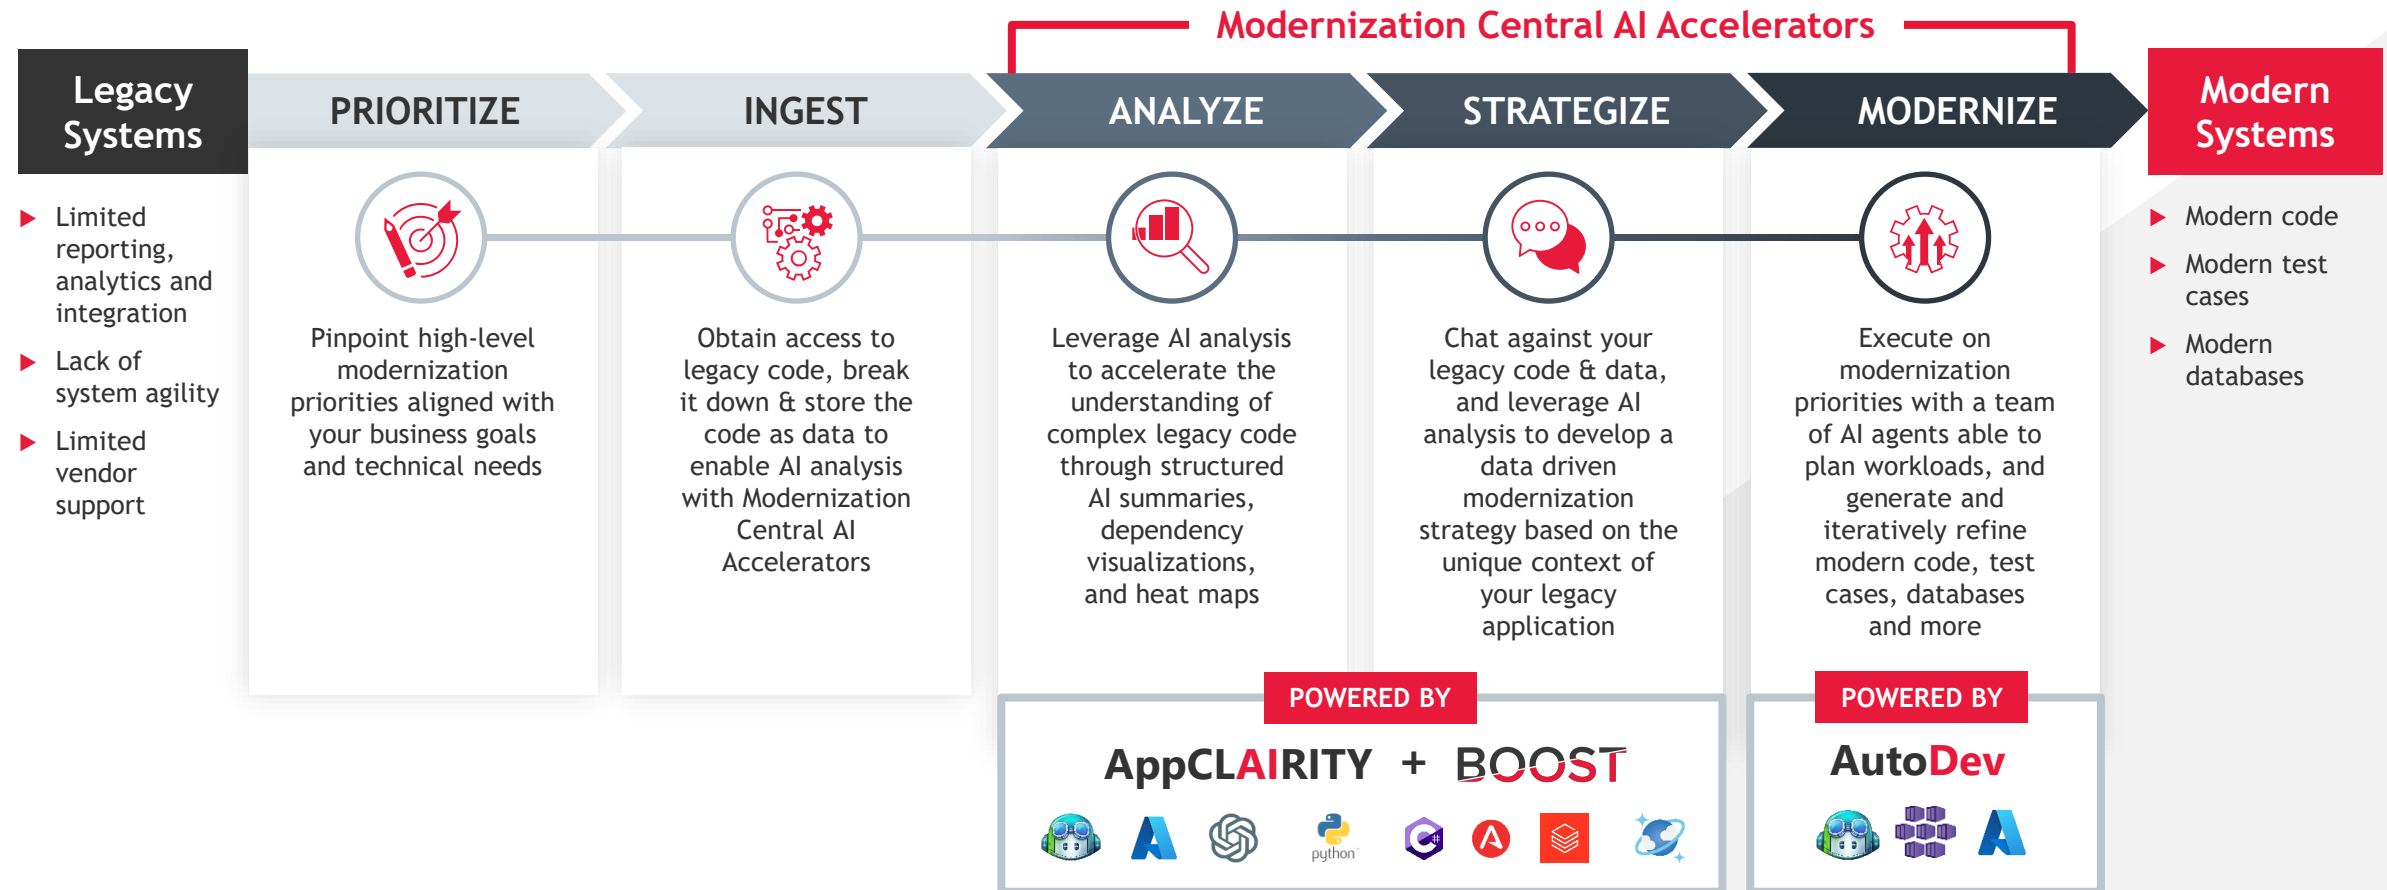

Boost Productivity - Unlock business growth with a new application that empowers your people

Streamline Operations - Leverage automation to manage complex application workloads

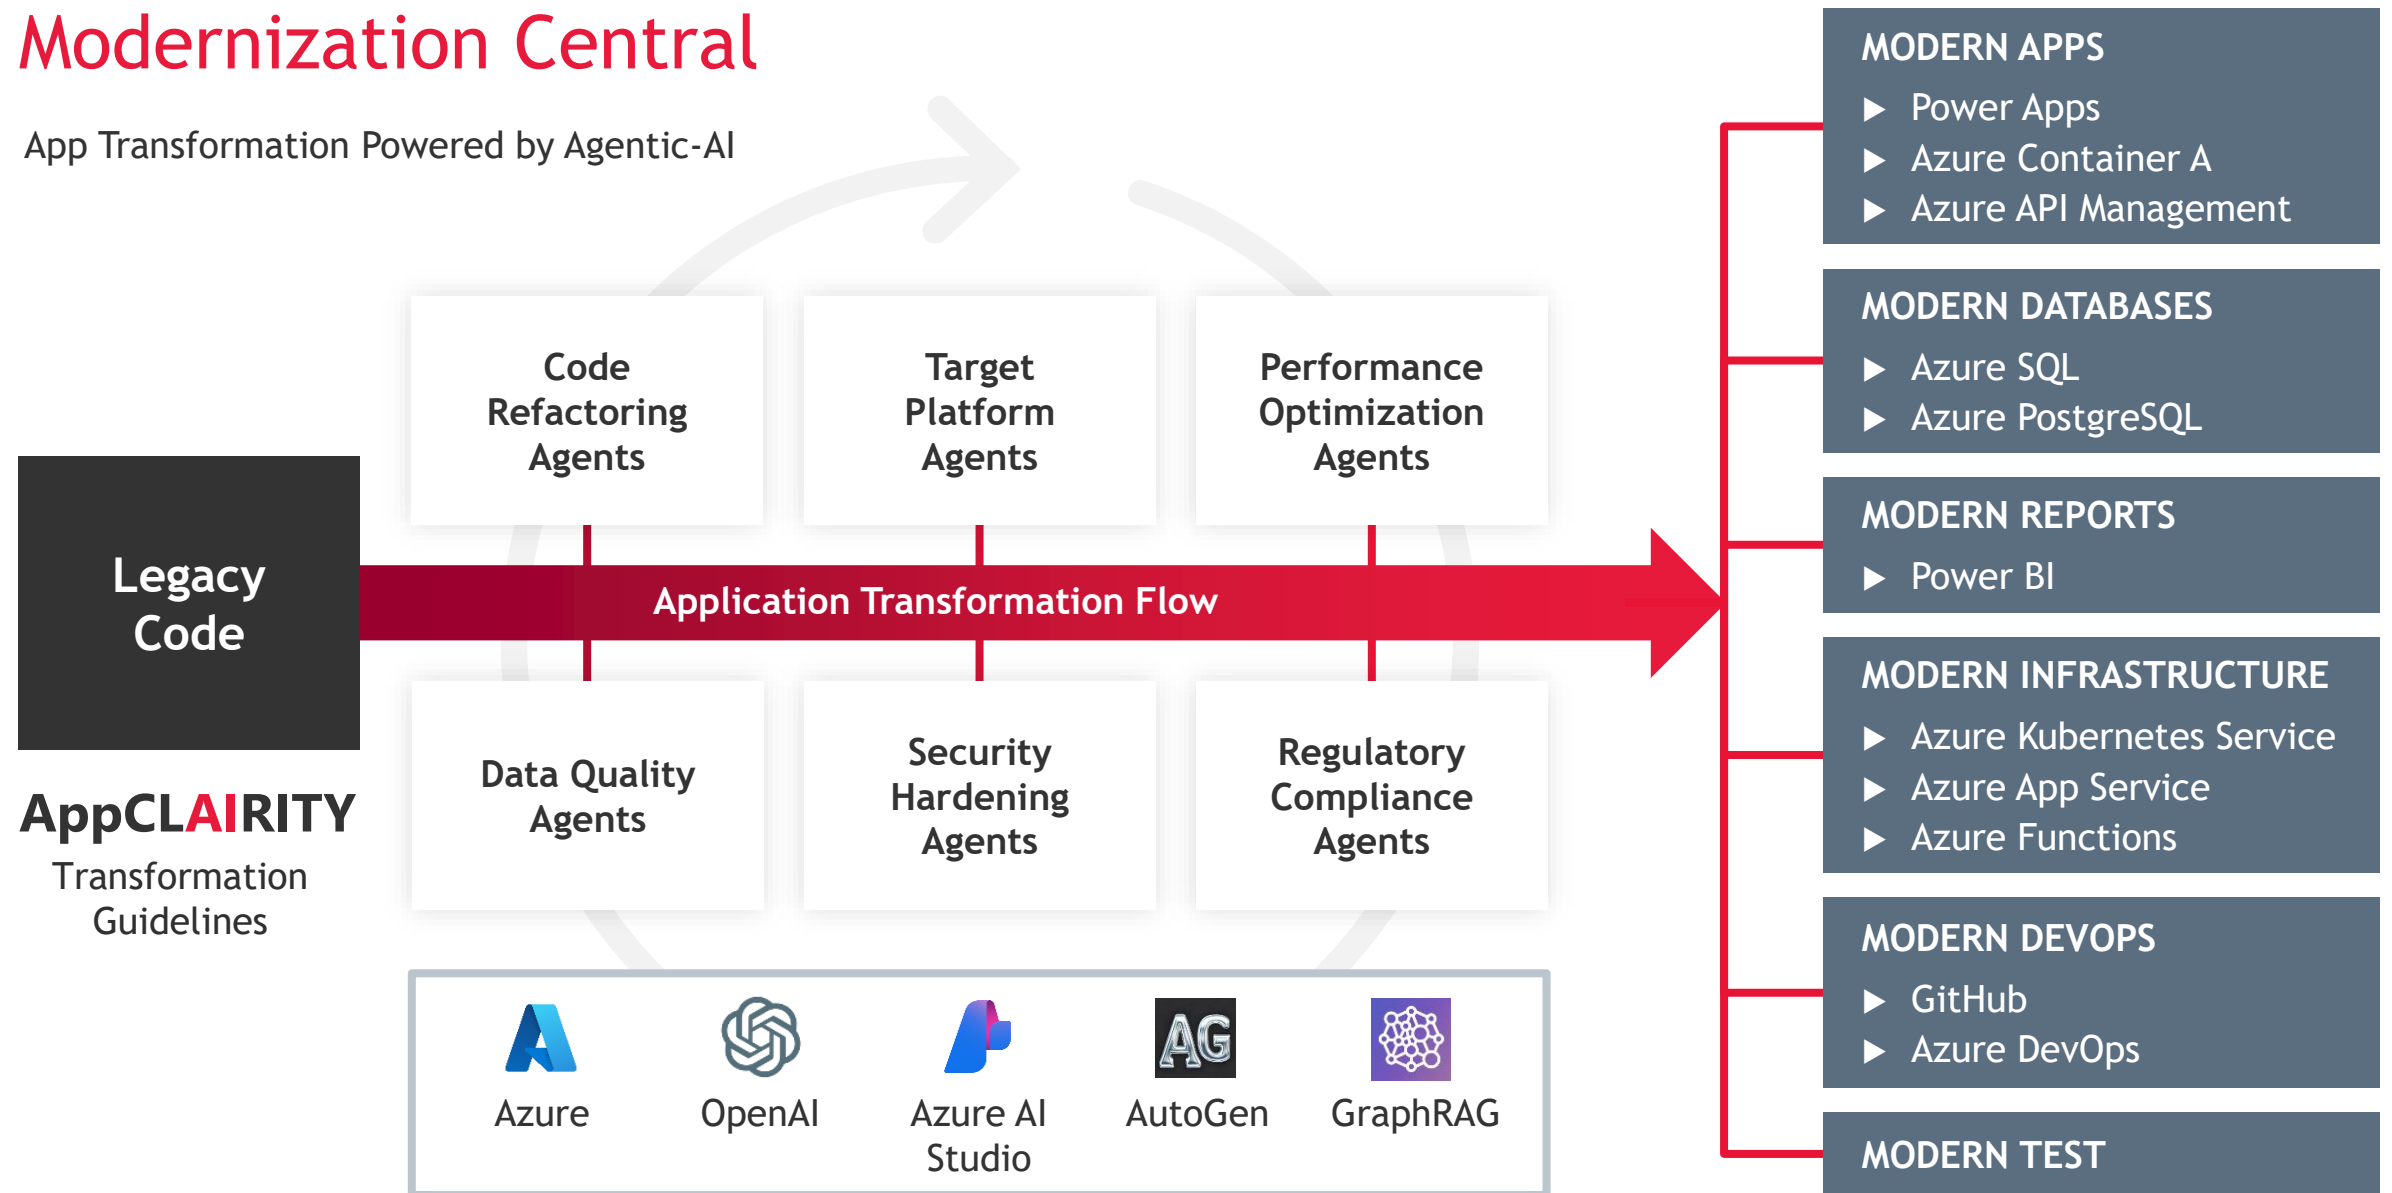

A Modern Approach to Legacy Challenges

Modernization Central is a collection of experience, frameworks and AI powered IP to help your organization overcome the complexities and challenges of App and Data Transformation. Using the power of generative AI, we streamline application and data modernization to enable organizations to realize the agility and intelligence of modern applications sooner.

Modernization Central

App Transformation Powered by Agentic-AI

Application Modernization with AI Jumpstart

BDO's Application Modernization with AI Jumpstart will employ a structured approach to help your organization **define business cases, identify and ideate opportunities to integrate AI, and build a proof-of-concept application** aligned to your unique business transformation goals.

Estimated project timeline:

We estimate this initial jumpstart to take 6 weeks.

Typical jumpstart includes:

- ▶ Concept architecture for your new application
- ▶ Proof of concept application and source code
- ▶ Feature and adoption roadmap

PHASE 1 Define

BDO will work with your organization to define goals and criteria for success

PHASE 2 Envision

Together, we will review the potential impact a modern application will have on your organization and how AI can enhance it

PHASE 3 Plan

Draft solution architecture and minimum viable functionality

PHASE 4 Develop

BDO will build a proof-of-concept application which includes a modern architecture and AI features

Trust BDO as your Microsoft Partner

‘BDO’, ‘we’, ‘us’, and ‘our’ refer to one or more of BDO International Limited, its network of independent member firms (‘the BDO network’), and their related entities.

The BDO network is an international network of independent public accounting, tax and advisory firms which are members of BDO International Limited and perform professional services under the name and style of BDO (hereafter: ‘BDO Member Firms’). BDO International Limited is a UK company limited by guarantee. It is the governing entity of the BDO network.

Service provision within the BDO network is coordinated by Brussels Worldwide Services BV, a limited liability company incorporated in Belgium. Each of BDO International Limited, Brussels Worldwide Services BV and the BDO Member Firms is a separate legal entity and has no liability for another entity’s acts or omissions. Nothing in the arrangements or rules of the BDO network shall constitute or imply an agency relationship or a partnership between BDO International Limited, Brussels Worldwide Services BV and/or the BDO Member Firms. Neither BDO International Limited nor any other central entities of the BDO network provide services to clients.

BDO is the brand name for the BDO network and for each of the BDO Member Firms.
