Global Teach®

EMPLOYEE DEVELOPMENT WITH A SYSTEM
THE LEARNING MANAGEMENT SYSTEM FOR YOUR CORPORATE SUCCESS

Global Teach®

THE MOST IMPORTANT AT A GLANCE

WHY GLOBAL TEACH®?

The triple award-winning learning management system (LMS) originally emerged from one of the first worldwide. In decades of further development, Global Teach® has become a constantly innovative, internationally established system at renowned large corporations such as the Otto Group, Bosch or Telekom. At the same time, the LMS is also successfully used by various SMEs. **Thanks to its modular structure, it can be used efficiently and in line with individual requirements by companies of all sizes and from all sectors. To the delight of our customers!**

ALL ADVANTAGES AT A GLANCE

- Can be used for the entire training area, from e-learning to classroom training
- There is a suitable solution for every company size
- Rich, modular structure enables individual compilation of the required functions
- Strong workflow engine for automating processes
- Certificates and gamification elements as an incentive for users to use
- Modern design, 100% responsive - thus also mobile-compatible
- A++ Accessibility in the entire frontend
- Can be used for any organizational structures, also with dynamic groups
- Can be used with clients for an installation with strictly separated areas
- Based on solid technology: Swissteach is official Microsoft partner
- Servers in and outside Switzerland to ensure data protection for all countries
- The entire system is DSGVO compliant

eLearning JOURNAL AWARD 2021 Mittelstand **Swissteach AG**

eLearning JOURNAL AWARD 2022 KMU **Swissteach AG**

eLearning JOURNAL AWARD 2022 Kompetenzmanagement **Swissteach AG**
