Microsoft Teams Rooms 8-Week Implementation

Symity Microsoft Teams Rooms

Symity are a Modern Work Microsoft Solution Partner specializing in Microsoft Teams Rooms, Teams Telephony and Teams Contact Centre. We don't just do Microsoft Teams we live and breath it.

WHAT WE OFFER

The workplace has experienced a dramatic change over the last couple of years where employees, customers and partners now require a flexible approach to working. With people in the office, at home and travelling, there is an expectation of a seamless experience to meeting their colleagues wherever they are. Microsoft Teams Rooms delivers this and allows all parties to work when they want and where they want, enhancing collaboration and inclusivity wherever you are working from.

Our 8-week Microsoft Teams Rooms implementation process has been tried and tested by a wide range of organisation right across the globe. Symity will help you assess, design and build a template for Microsoft Teams Rooms that works for all meeting spaces then deploy them for you. Symity are a Microsoft Gold Partner and an original member of the exclusive Meeting Room Partner Program.

At Symity we help clients every step of the way when it comes to Microsoft Teams Rooms. From initial product selection right through to installation, adoption and support. With Symity you also have the added bonus of Symity Assist which acts as your first line troubleshooting digital guide if meeting room participants are experiencing any room issues.

Contact us below for more information.

See what customers are saying:

"Deploying Microsoft Teams Rooms with Symity was the right decision. Other government organisations are looking at what we are doing to emulate our success. It's been an incredible transformation"
