

# Meetings and Meeting Rooms for Microsoft Teams

## Showcase modern meetings experiences and build a plan to deploy and adopt Microsoft Teams Meetings and Meeting Rooms

### Do more with Microsoft Teams Meetings and Meeting Rooms

Today organizations rely on teamwork with employees working twice as many Times as they did just five years ago and information workers spending 50% more time collaborating with co-workers, contractors, suppliers and customers. To succeed, you need collaboration and communication tools that empower your workforce to be more efficient and productive.

The way we work has evolved and meeting needs have changed with employees being more mobile and working remotely. In fact, 56% of meetings have at least one remote attendee and 38% of remote attendees join via mobile. Microsoft Teams delivers a unique end-to-end meeting experience that brings back the human element of face-to-face interaction while helping people stay focused before, during and after the meeting.

### Meetings and Meeting Rooms Workshop

Introducing the Meetings and Meeting Rooms Workshop – a modular engagement to identify and understand business priorities while focusing on specific scenarios that drive meetings culture transformation. This workshop engagement is designed to showcase modern meetings through 'art of the possible' immersive experiences, use case design and deep dive planning resulting with actionable recommendations to deploy and adopt Microsoft Teams Meetings and Meeting Rooms.

#### Assess
