

Connected teams. Extraordinary work.

How teams work together matters.

Meet the LUMA System™: a practical and easy-to-learn approach to confident, more effective collaboration. Mural is the only solution that brings together a digital whiteboard collaboration space with the training and resources teams need to tackle complex challenges and imagine new possibilities. No matter where they work.

Achieving outcomes at Autodesk

"I see MURAL and the LUMA System as a Venn diagram of the tool and methods that enable our employees to do their best work from anywhere — together. MURAL is the technology and LUMA System is the mindset that facilitates great outcomes. Together, they've made transitioning to hybrid work more frictionless for us."

-Rob Dickens, VP & Chief of Staff to the CEO
at AUTODESK.
