

Prescription Drug Data Collection Reporting Service

**EMPOWER
MY DATA™**
A TechHouse Product

Overview

In the complex landscape of healthcare compliance, **Empower MY data** introduces the **RxDC CAA Report Services**—a robust solution designed to simplify the **Consolidated Appropriations Act (CAA) reporting** for self-funded groups. Our service is tailored for HR teams at large self-funded plans who face the challenge of integrating third-party pharmacy networks with their Pharmacy Benefit Managers (PBMs).

The Problem. The Solution.

Problem: Self-funded groups often struggle with the technical demands of data retrieval and cleansing, leading to inefficiencies, rework, and a lack of visibility. This is compounded by the pressing need to comply with the **CMS Prescription Drug Data Collection (RxDC)** requirements by the critical deadline of **June 1st**.

Solution: RxDC CAA Report Services offers a personalized approach to meet both internal and regulatory processes. Our **Awareness Reporting** provides clear insights into your data, while our **Personalized Solutions** ensure that your reports are accurate and delivered on time. With our personable support, your HR team can navigate the complexities of data management with ease.

Key Benefits:

- **Ease of Use:** Simplify the CAA reporting process, even when dealing with additional third-party pharmacy networks.
- **Cost-Effective:** Avoid the hefty fees charged by PBMs for incorporating claims from other products—our service is designed to be affordable.
- **Timely Compliance:** With our streamlined process, ensure that your CAA report is ready well before the June 1st deadline.
- **Expert Support:** Benefit from our dedicated team's expertise in data management, ensuring minimal rework and maximum clarity.

Why Choose TechHouse's RxDC CAA Report Services?

With many PBMs covering reports and costs for their own networks, the challenge arises when additional pharmacy or medical products are in play. Our service is the answer for those seeking to include claims from services like Rx 'n Go without incurring exorbitant fees.

Empower your HR team with **RxDC CAA Report Services**—the smart solution for seamless CAA compliance.
