Microsoft Office 365

Office 365 is a cloud-based subscription service that brings together the best tools for the way people work today. By combining best-in-class apps like Excel and Outlook with powerful cloud services like OneDrive and Microsoft Teams, Office 365 lets anyone create and share anywhere on any device.

KEY USE CASES

BUSINESS-CLASS EMAIL

Secure access email, contacts, and shared calendars anywhere, anytime and from any device

CLOUD STORAGE

Access, share, and collaborate on all your files from anywhere, anytime and from any device

MEET ONLINE

Invite everyone you work with to chat, meet, call, and collaborate all in one place, no matter where you are..

COLLABORATE

No matter where you are or what device you're on, you can easily share files, co-author in real time, and be productive from anywhere

WHY OFFICE 365

SAVE YOUR COMPANY MONEY

Office 365 is available as a simple monthly subscription. Avoid large up-front costs for new software while moving the cost of IT from capital to operating expense. And without on-premises servers to run email, websites, and document storage, you can reduce energy costs and save by no longer purchasing new server hardware.

SCALE YOUR BUSINESS QUICKLY AND FLEXIBLY

Office 365 grows with you on the Microsoft Azure cloud. Adding a new user is as simple as buying an additional license, which allows access to business-critical technology on up to five PCs/Macs and five mobile devices. Office 365 provides many plans to fit the right capability needs and price points for each user in your organization.

TECHNICAL SUPPORT

Your Office 365 subscription comes with 24/7 support from a team of experts

SERVICE LEVEL AGREEMENT

Get peace of mind knowing your services are available when you need them with 99.9% uptime service level agreement.

SIMPLIFIED IT MANAGEMENT

Reduce headaches by reducing your IT infrastructure. Content lives safely in globally distributed data centers with continuous backup and disaster recovery abilities.
