

MICROSOFT 365 LICENSE MANAGEMENT

OPTIMIZE THE INVESTMENT IN LICENSING YOUR IT LANDSCAPE

WHAT WE OFFER

Managing software assets can be challenging for any organisation. Multiple stakeholders are engaged with the purchase, the technologies involved are complex and constantly changing and license agreements are increasingly complicated and multi-layered.

With Microsoft 365 License Management Assessment Telelink Business Services aims to help your company optimize the investment in licensing IT landscape. You will gain knowledge on which are the appropriate subscriptions based on the company's specific business needs and how to get the most out of the software spending you make.

WHY MICROSOFT 365 LICENSE MANAGEMENT WITH TBS

Embrace cost savings by understanding your spending on software and pay only for what you actually need

Understand the complex software license agreements and leverage available use rights

Be sure your company is compliant with the terms and conditions of the license agreement
