Intelligence Workspaces for the Modern Era

officio.work

Embracing change between **The Modern Workplace** and **Its Digital Natives**

12.7% 
full-time employees
work from home

28.2% 
work a hybrid model

74% 
Employees less likely
to leave a company if
they have remote work
opportunities

98% 
Workers want to
work remote at least
some of the time

Has Created Digital Dilemma: **Too many tools, too little time**

9 Collaboration and communication tools every day used by employee

2.5X Employees in the hybrid world are more likely to experience digital distractions than employees in the on-site world

75% HR leaders agree that an increase in the number of virtual touchpoints employees face in their work puts them at risk for burnout

Challenged for SMB: **Balancing between technology availability, adoption cost and ease of usage**

Inadequate support service, expensive tech are top reason

39% fear lack of support service

34% expect cost higher than anticipated

31% don't invest enough in training and onboarding

30% tech was buggy or slow

**We need to clear this chaotic environment into
harmonious, integrated, and productive
environments.**

Let's Simplify It: **One Platform, Infinite Possibilities**

Key to unlocking the full potential of your business.

- Eliminate the chaos of multiple applications and create a seamless, efficient, and collaborative digital environment.
- Reduce digital fatigue, enhance productivity, and make remote work more efficient and enjoyable.

 Streamline operations

 Improve collaboration

 Drive innovation
