

Validate Copilot for Microsoft 365

Combining intelligence with artificial intelligence

Our Mission.

“Continuously improve your **people’s** daily work to establish a **digital flow.**”

We use Microsoft **technology** to accomplish this.

Our Focus.

Digital Workplace

Connect employees in a secure digital workplace allowing people to seamlessly communicate, collaborate and work from anywhere on any device.

Microsoft 365

Employee Experience

Put people first through centralization of targeted communication, knowledge building, growth, purpose alignment, data driven insights, ...

Teams & Viva

Intelligent Apps & Automation

Reduce burden with hyperautomation by focusing on what matters and automating the rest. Democratise development with no/low code in a network of citizen developers.

Power Platform & Microsoft Cloud

Microsoft Copilot

“Today marks the next major step
in the evolution of how we
interact with computing, which
will fundamentally change the way
we work and unlock a new wave of
productivity growth,”

Satya Nadella
Chairman and CEO, Microsoft

What is Copilot

Alexis Blackwell

Arce Vol.10

Brooklyn, NY
