

Threadfin Business Solutions

We're an IT services-only company that creates incredible value through solutions that transform, modernize, optimize and secure organizations.

We're vendor-independent.

Our solutions are built for your specific needs and unique goals. We're focused on scalability, flexibility and cohesive integration with your environment

We're based in the United States.

We're US-based, with a national footprint and significant global delivery experience.

We know digital transformation.

We combine our proven technology delivery experience with our deep technical skills to provide unmatched digital transformation services.

We've perfected partner support.

Our unique partner support model empowers our partners with our advanced skills and expertise.

We're approachable experts.

Our team prides themselves on deep digital transformation skills and their willingness to collaborate and share their knowledge with our customers.

We serve mid-tier and enterprise.

Adept at navigating both simple and complex environments, we serve myriad industries.

- Virtualization

Our *Experience Threading Framework* illustrates the way we continuously improve digital experience for employees and customers.

The *Experience Threading* icon in the center represents the lifecycle of human-centered digital transformation. It's perpetual because technology continues to shift. It's pervasive, connecting through all the pillars, because they work in harmony.

Our team has migrated
**TENS OF
MILLIONS**
of users to the cloud.
