INTRODUCTION

Tilkoblet offers e-filing solution, facilitating the synchronization of data between our SaaS-based software and regulatory bodies in Commonwealth Nations.

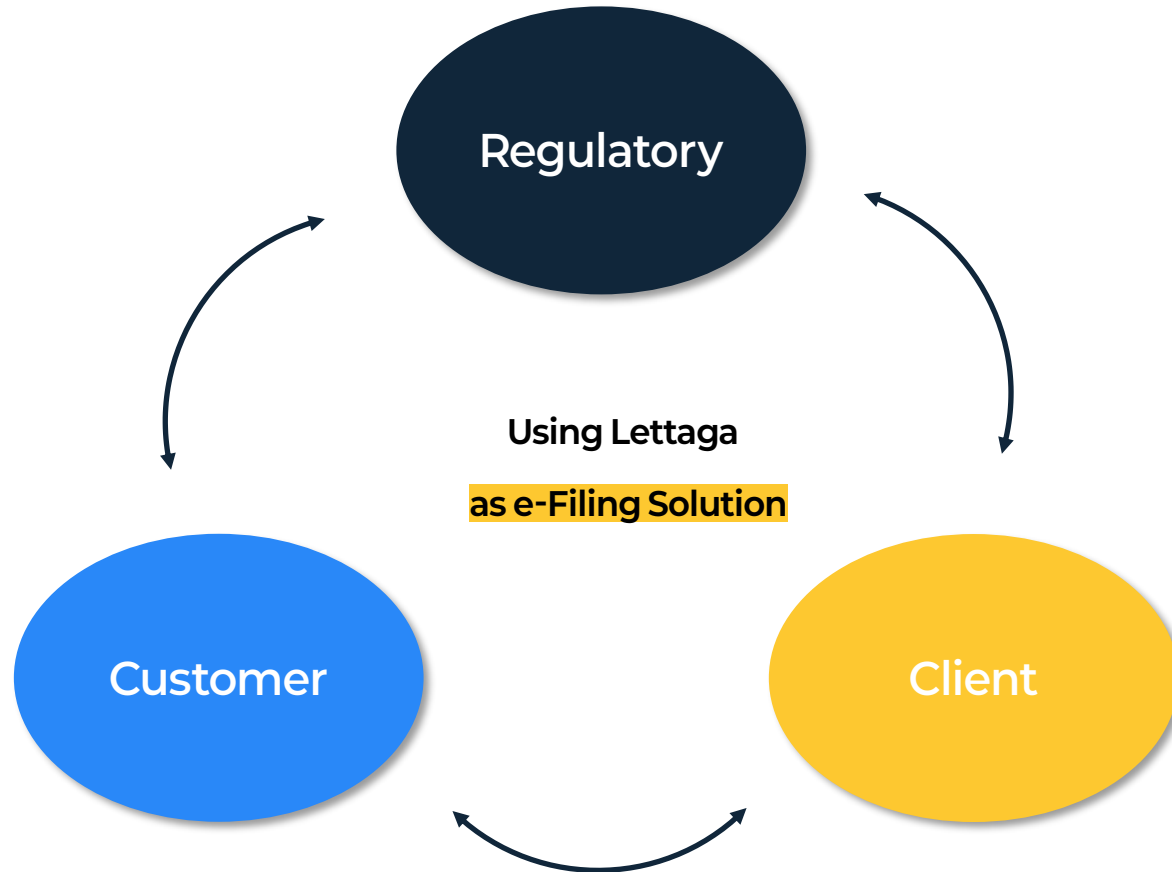

Our solutions empower customers to seamlessly exchange data with ACRA/IRAS, facilitating efficient communication.

Furthermore, customers have the convenience of seamlessly obtaining bank statement CSV files from any banks in Singapore with just one single mouse click.

Our solutions primarily target Corporate Secretarial Firms, Law Firms and Accounting Firms.

Market

Business Relations

❖ Regulatory

Corporate Service Providers must file and report to regulatory such as ACRA(Singapore), Companies Registry(Hong Kong), ASIC(Australia) and Companies House(UK)

❖ Customer

LETTAGA AUTOMATES FILING & REPORTING

LETTAGA is a Software as a Service(SaaS) platform designed for automating the operations of CSP's work.

In addition to connecting potential clients reducing labour costs and eliminating human errors.

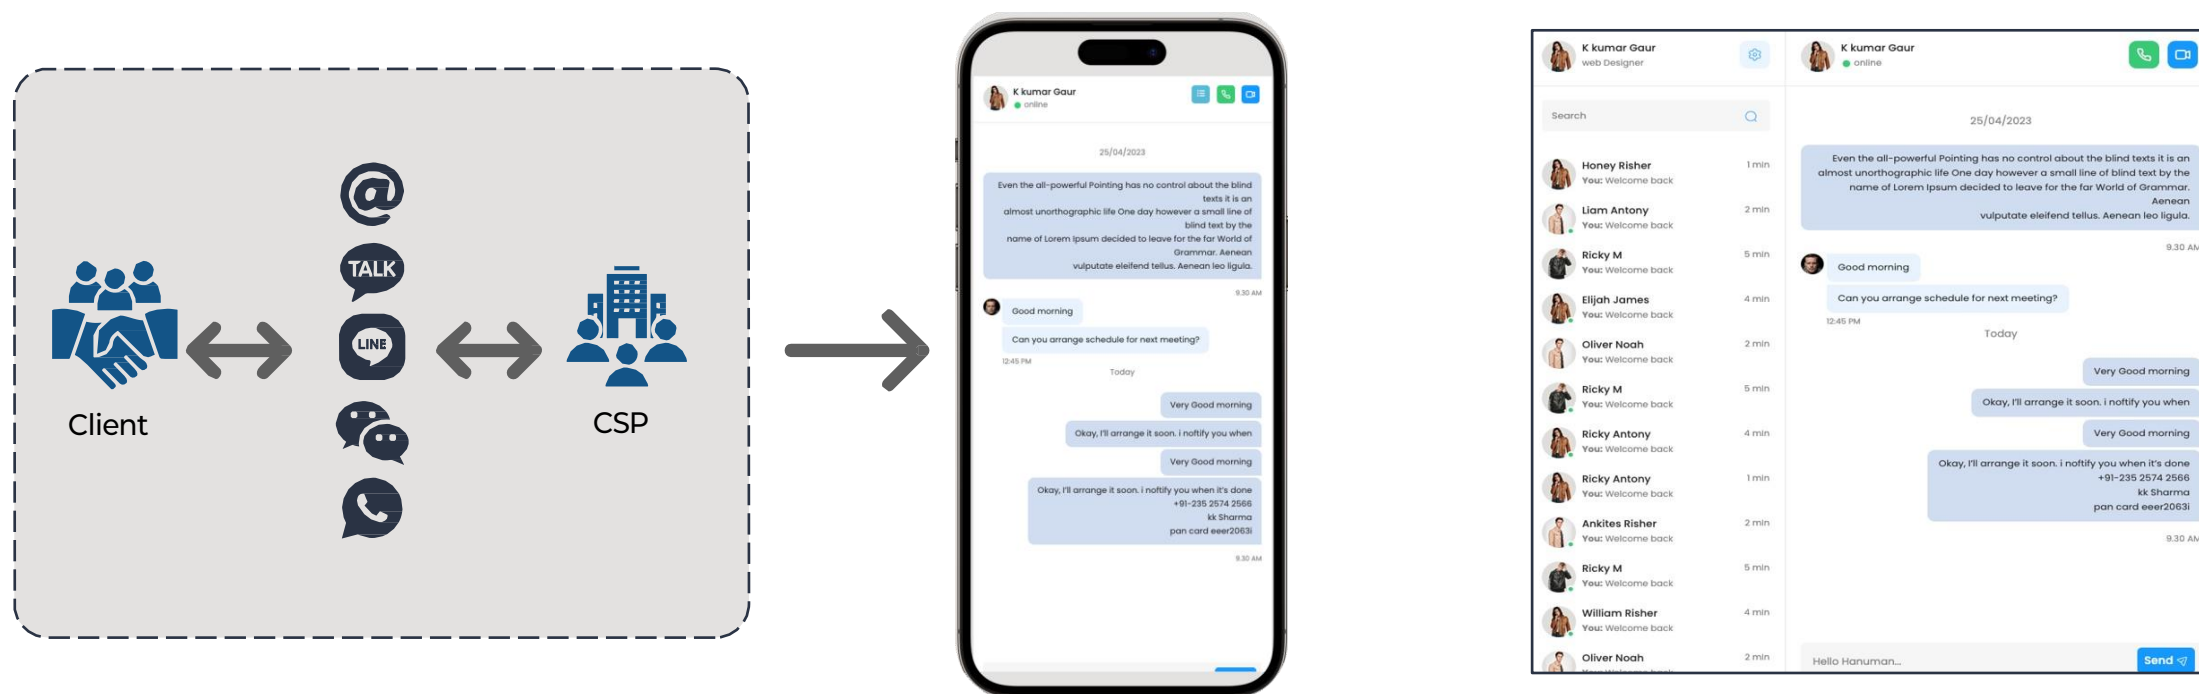

**REAL-TIME
SYNCHRONISE**

LETTAGA COMMUNICATES WITH POTENTIAL CLIENTS

We connect potential client inquiries to partnered CSP through a consistent channel and facilitate communication.

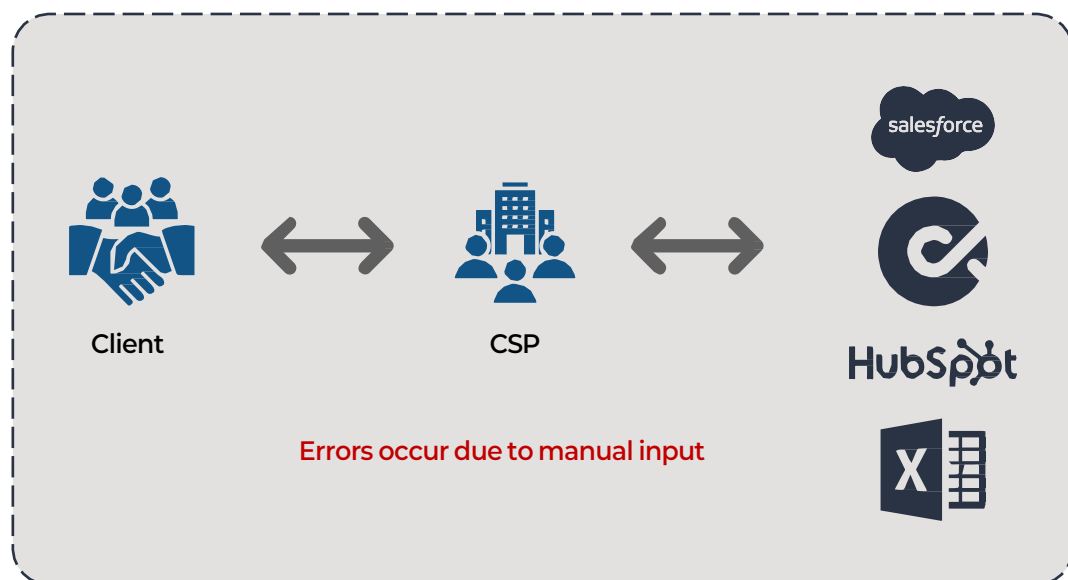

Frequent communication errors due to indiscriminate Promotional emails and inconsistent channel communication. Inquire with our partnered Corporate Secretaries.

Communicate and manage through a consistent channel with potential clients.

SYNC WITH BIZFILE BY ON-CLICK

We synchronise and manage client information registered on Bizfile.

Manual task management leads to human errors and handover issues.

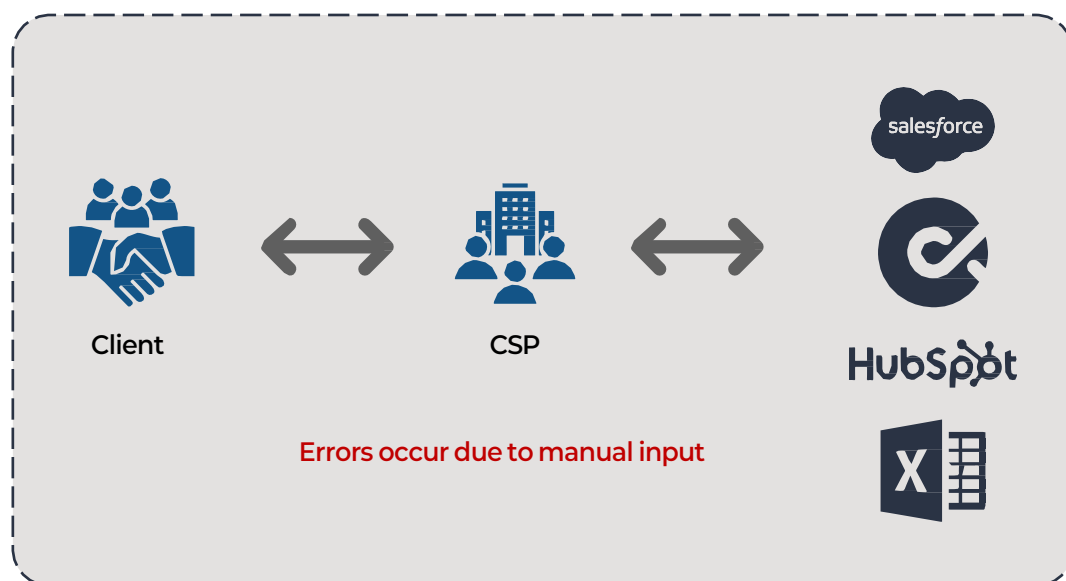

The screenshot shows the 'Clients' management interface in DTT Enterprise. A blue banner at the top indicates 'Bizfile Synchronising... 43(1)/200'. The interface includes a search bar, a 'Hide Inactive Client' checkbox, and a table of client records.
