

JOB SEARCH MADE EASY

Candidates get an awesome job finding experience that is stress free

Video Resumes

We let the candidates talent, personality, and potential shine. Resumes matter, but so do you.

Match Better with Ai

Profile Score algorithm along with our ai ensures candidates get optimised job suggestions based on 8 key attributes

Background Checks

Candidates get a verified profile with our pre-verified background checks. Stand out from your peers.

Apply from Anywhere

Candidates can apply online, through the career page and discover nearby opportunities with geo-tagged jobs

No SPAM

Its time you only connect with companies who meet your profile score threshold. No more pesky calls or mass emails.

Salary Equality

Get salary based suggestions on your market rate and pay

EMPLOYER SOLUTION

The job platform with AI, for fast hiring of high quality applicants

Quality of Applicants

Shortlist faster & better with Video Resumes

Get Pre-Verified Profiles of candidates (Employment, Education, ID)

Profile score with AI search gives relevant candidate suggestions

High Productivity

Work together with external recruiters and track tasks easily

Ask questions and get AI to score interview responses

Get personalised Job Description suggestions with our AI.

Integrations & Automations

Companies get a free no code career page for their website

Unlimited messaging & interview workflow automation

Browser extensions to import profiles from other platforms
