- Plan, automate and monitor marketing campaigns, engage with prospects and convert them to leads, and ensure alignment between your sales and marketing teams
- Enhance your implementation with additional services if needed, including data migration and employee training
- Work in collaboration with the Tisski team, who can support you along every step of your journey, from initial consideration of D365 Marketing through to implementation

# About Tiscki

Founded by CEO, Anna Assassa, in 2011, Tiscki are one of the UK's leading Microsoft Gold Partners and Cloud Solutions Providers, and can introduce technology that can and will transform your organisation and open your eyes to a whole new way of working.

Tiscki work to understand your challenges inside out, before configuring Microsoft technology to meet your needs or using it as a basis to create a solution that brings a world of benefit to your organisation.

With a team experienced in transforming operations for some of the UK's largest organisations, including the Ministry of Defence and the Department for Transport, you can trust that your project is safe in Tiscki's hands, no matter how complex it may be.

# What Makes Tisski Different?

- **Personable approach** – Tisski pride themselves on getting to know the ins and outs of your organisation before recommending a way forward. In fact, a member of the Tisski team will become like an additional member of *your* team throughout the discovery, design and implementation phases.
- **Industry expertise** - With consultants accredited to the highest Microsoft standards, the Tisski team's collective knowledge enables them to provide both public and private sector clients with the very best support.
- **Microsoft status** – Tisski's Gold Partner status stands as a testament to their ongoing commitment to providing the very best for their customers, plus they're part of the Inner Circle, placing them in the top 1% of tech consultancies for Microsoft Business Applications around the world.
