"*Great experience from initial presentation, testing, implementation and through support. Tradogram was very easy to customize and use. Setup and configuration was simple and easy to maintain.*"
- **Joel Gerber,** SVP Technology at Adheris Health

"*Our company has been looking for procurement solutions for a long time. Tradogram is the best system among them that we have seen and experienced, I advise everyone to try, you won't regret it!*"
- **Teimuraz Kvaratskhelia**, CIO at Aversi-Pharma Ltd.

"*Tradogram has made our processes run smooth and straight-forward. Everyone - from the Site Supervisors, trades to the office staff, have been able to use and navigate without any issues. Some site supervisors have never really used a computer in their job, and they were able to create PO's and understand the system within 30 mins of using it. Tradogram is like no other and beat all the other programs by a long shot.*"
- **Rachelle Page** Business Systems Admin at CDG Enterprises

"*Tradogram has been very good from the inception. The support level is very good, the software is easy to use and to teach to staff members. We are very happy with the software.*"
- **Thomas Allina,** CFO at Nikki Beach

"*Features on Tradogram are easy to use. It's nice to look at and the customer support is superb. The vendor portal is very helpful and easy for our vendors to create online invoices*"
- **Jeanne Hlebo**, Vendor Relations at Compass Charter Schools
