

TRUSTMARQUE

Part of Capita plc

SURFACE AS A SERVICE BY TRUSTMARQUE THE NEW WAY AFFORDABLE WAY TO ACCESS THE LATEST DEVICES POWERING THE MODERN WORKPLACE.

What is Surface as a Service?

Fast modernisation. Simplified purchasing.

Surface as a Service is an accessible, risk averse way of getting the latest Microsoft Surface technology in the hands of your employees, wherever they are.

With flexible payment options and no upfront costs, you can easily refresh your tech to keep up with the pace of innovation while improving collaboration, productivity and employee satisfaction.

Subscription-based devices offered as a service help to mitigate the costs and risks associated with refreshing a fleet of personal devices. Hardware, software, and support services are all packaged together and provided for a simple and transparent subscription fee.

Introducing Microsoft Surface

Sleek. Powerful. And within budget.

Surface is a full range of powerful, stylish and multifunctional devices that can be used in the work or education place, at home or on the go.

Discover how Trustmarque can help you to leverage operational budget to bring these best-in-class modern devices to your business through Surface as a Service.

Flexible subscription options

We'll work with you to find the best fit for your business and your end-users
