

Unlock Enhanced Microsoft 365 Reporting

Exclusively for Turrito Customers!

M365 Tenant Insights

At Turrito, we're committed to transforming your Microsoft 365 experience. By licensing your M365 solutions through us, you unlock access to our exclusive M365 Tenant Insights—a suite of powerful tools designed to optimize your investment.

What are M365 Tenant Insights?

M365 Tenant Insights provide a comprehensive view of your M365 environment, including:

- Entra ID Details:**
Get clear insights into your identity management system.
- Secure Score:**
Receive detailed analyses of your security status with actionable recommendations for improvement.
- Product License Consumption:**
Monitor your licensing usage to manage resources more effectively.
- User Activity and Usage Reports:**
Explore in-depth analytics across Exchange, OneDrive, SharePoint, and Teams.

Why Choose M365 Tenant Insights?

- Exclusive Access:**
Available only to customers who license M365 through Turrito, giving you a distinct advantage.
- Efficiency:**
Streamline management, optimize resources, and reduce costs with actionable insights.
- Data-Driven Decisions:**
Empower your team with the information needed to make informed decisions and boost productivity.

With M365 Tenant Insights, you don't just manage Microsoft 365 –you master it. Take advantage of these exclusive features and see how Turrito can elevate your M365 experience.

Experience It for Yourself
