T.I.C. 12157727

Never lose a customer due to a failed credit card. UIBSclearing payment gateway enables internet merchants to accept online payments on their websites. The system used (for accepting cards over the Internet) is easy to use and meets all the required security standards (3Dsecure, Verified by VISA and MasterCard SecureCode). With UIBSclearing you never lose a customer, even if his credit card fails.

**Even if credit card fails**

- Generate booking reference to secure the reservation
- Send guest booking confirmation
- Send hotel booking confirmation
- Notification emails - alerts
- 24hours phone support to end user and customer
- Diagnostic reports
- Failover to manual process
