limited liability under registration number
HE 157727 VAT Reg. No. 10157727P
T.I.C. 12157727

UIBSevent delivers the meetings and events industry with best-in-class technology that can handle the entire event lifecycle from start to finish. Our event management platform has something to help you at each stage of your event-securing hotel room blocks, restaurant tables, marketing your events, hosting online registration, to easing the check-in process, engaging your attendees onsite and ultimately providing you with post-event analytics to measure your inevitable success.

A comprehensive platform for your events

UIBSevent is a leader in event management, online event registration, venue sourcing, and mobile event app technology - with over 1,000+ active system users.

UIBSevent modernizes the traditional processes associated with event management. With our integrated platform, planners can more efficiently find venues, plan events, engage attendees, measure the impact of their events, and much more.

UIBSevent makes renewals, sales and event profitability easy. By consolidating event management systems like CRM, floor plan and accounting, into a single solution we help your business save time and money while building a more efficient management system.
