## Ultimate Migrator

Leading organisations, blue-chip Corporations & Governments around the globe have entrusted their email migration projects to Ultimate Migrator software, leading to an enviable client list of multinational, high profile, prestigious companies as well as Governments and public sector bodies. With Petabytes of data successfully migrated, across projects worth hundreds of thousands of pounds, Ultimate Migrator has emerged to be one of only four companies in the world that can deal with the volumes of users and complexity of projects presented by enterprise level organisations.

## Some of our Clients:

## What some of them say....

"I know as part of the amazing pricing you got for me and the further amazing dedicated support, I owe you a customer testimonial, so here it is.
UM is a great product and made even more so by the amazing support we were provided working with Stefan. I feel we received A LOT of value for the money spent and the one-on-one support and commitment to helping us."
Steve Schaub, Varian Medical Systems Inc, USA

"The service has been one of the best from any vendor"
Dimitri Dizna, Dell / U.S. Federal Government

"It does a perfect job"
Guy Stewart, Intalock Technologies, Australia
