MICROSOFT PLACES POC

DURATION 60 DAYS

OVERVIEW

Transform your organization's workspace with our Microsoft Places POC package. This package includes a 4-hour workshop to identify key use cases, live feature demos, tech readiness, and a pilot rollout plan. Benefit from remote configuration assistance, a 60-day POC for up to 10 users, and comprehensive adoption change management with three train-the-trainer sessions, a communications plan, and a Teams collaboration satisfaction survey. Enable your top use cases, receive end-user support, identify potential blockers, and develop an actionable plan with clear next steps for a successful full rollout of Microsoft Places.

DESCRIPTION

The Microsoft Places Proof of Concept helps plan, deploy, and measure the success of a Microsoft Places proof of concept within your organization. It includes a team of experts to assist with planning, technical readiness, deployment and adoption. The package includes:

- 4-hour remote workshop to identify key use cases and scenarios, live demo of Microsoft Places features, tech readiness, and a built-out pilot rollout plan.
- Remote Configuration - assistance with preparing Teams and Teams Rooms environment and assignment of Teams Premium licenses (for access to Microsoft Places)
- 60 Day Proof of Concept for up to 10 users

- Adoption Change Management –
  - Training: Up to 3 separate train-the-trainer sessions educating users on Microsoft Places features (Coordinate for your day in the office, modernize the hybrid work experience, and maximize ROI by learning how to make the most of the in-office space you have)
  - Communications plan
  - Teams Collaboration User Satisfaction survey

OUTCOME

- Enable your top use cases in your own environment to help you get to value faster with Microsoft Places
- Get training and support to enable your end users
- Identify potential blockers and challenges ahead of a broader deployment

An actionable plan outlining potential workstreams and dependencies with clear next steps
