

TEAMS ROOMS

Solution to deliver better collaboration experiences in meetings rooms for hybrid work.

Why implement a Teams Rooms ?

Bridge the gap between people working remotely and those in the office with a meeting room solution that allows everyone to be seen, heard and fully engaged from anywhere.

Native meeting rooms for Microsoft Teams are part of an enterprise collaboration platform, enabling communication, security and productivity, ideal for hybrid work, fully managed from one place.

Benefits of Teams Rooms

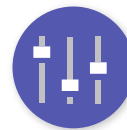

Collaborate

Through chats, virtual meetings and the possibility of calls to mobile and landline numbers.

Work with confidence

Ease of enforcing and managing enterprise security policies.

Customize

With a range of certified equipment.

Innovate

With updates focused on elevating collaboration, security and user experience, hand in hand with artificial intelligence.

CHALLENGES YOU CAN SOLVE:

- Enable meeting spaces for hybrid work.
- Have the right device for the need for each type of room.
- Interoperability between platforms (Teams, Zoom, Cisco).
- Simplify management of the entire collaboration platform, including devices. All from the same console.
- Secure access to each meeting and protect the information that is shared.
- Get the most out of rooms thanks to ease of use and change management strategies.

Microsoft Teams to any meeting space.

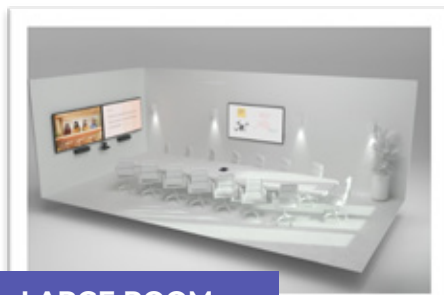

As the mobility of people increases, organizations will adapt office spaces and technology to meet the needs of hybrid staff.

Better hybrid meeting experience:

- INCLUSIVE & INTERACTIVE MEETINGS**
 It ensures that everyone can be seen and heard, and that they can participate fully from anywhere.
- EASY TO USE**
 Make the most of meeting time with intuitive, seamless experiences.
- FLEXIBLE**
 Teams rooms can support any type of meeting and space across a wide range of certified devices.
- MANAGED & SECURE**
 Enjoy operations and robust security that helps ensure the room is up to date and ready for use.

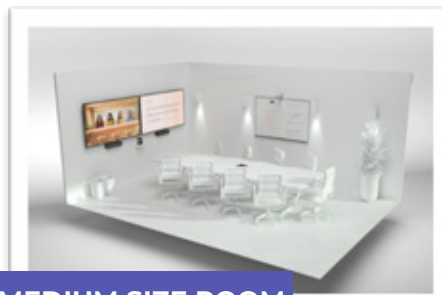

All your tools in a single platform that allows you to improve the participation and interaction between your work teams and your customers, in a 100% safe and reliable way.

See some examples of how Teams Rooms can work across multiple spaces.

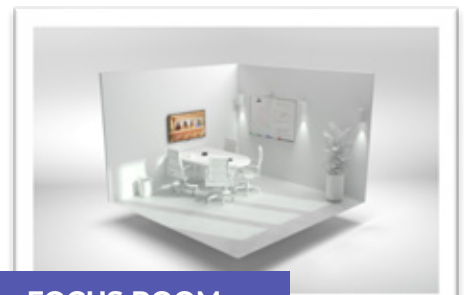

LARGE ROOM

18 people or more

MEDIUM SIZE ROOM

11 people

FOCUS ROOM

3 to 5 people

Why C3NTRO TELECOM?
