

# Copilot for M365

## Readiness Workshop

Facilitate a deep understanding of the impact that Copilot for Microsoft 365 can have on your business by bringing together decision-makers and the technology team to explore this powerful productivity tool together.

### What is copilot for Microsoft 365?

Microsoft Copilot for Microsoft 365 merges the potential of large language models (LLM) with your organization's data, seamlessly integrated into your workflow, transforming your words into one of the most efficient and powerful productivity tools available.

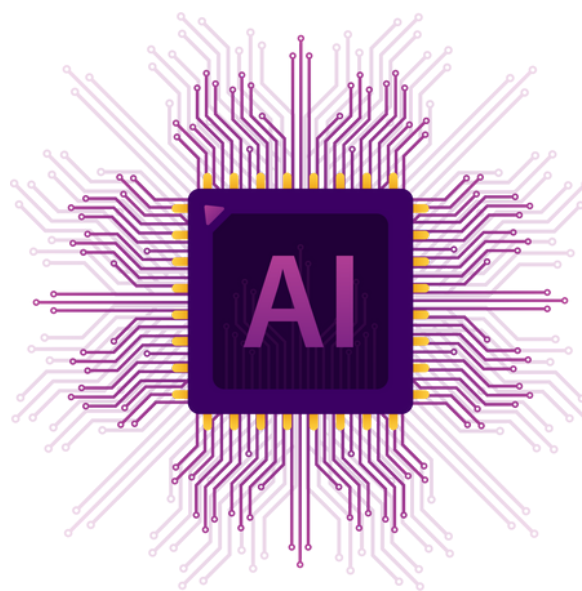

# Experience the Future: Meet Your New Productivity Partner, Copilot!

## What is in for you?

A unique event where the visionary leaders of your company will meet with prominent technology experts. During two intensive days, you will participate in dynamic and personalized sessions that will reveal the incredible potential of Copilot for Microsoft 365.

## Take your workflow to the next level

- **Intelligent Automation:** Demonstrate best practices for using prompts in Copilot, maximizing efficiency and saving resources.
- **Use Case Identification:** Understand and analyze relevant use cases for your organization to fully leverage Copilot's capabilities.
- **Key Functionalities:** Demonstrate Copilot's key functionalities, highlighting how they can improve task and project management.
- **Organizational Readiness Assessment:** Evaluate your organization's readiness to adopt Copilot, identifying strengths and areas for improvement for a successful implementation.

## Workshop deliverables:

- **Readiness Evaluation Report:** A detailed report on the current state of your environment, highlighting areas of readiness and identifying potential challenges.
- **Key Use Case Identification:** A comprehensive list of prioritized use cases tailored to your organization's specific needs and goals.
- **Implementation Roadmap:** A step-by-step plan outlining the necessary actions to successfully integrate Copilot into your existing workflows.
- **Recommendations:** Specific, actionable recommendations to address any identified gaps and ensure a smooth transition.

## Duration:

2 days.
