

A futuristic car is shown in a dark environment, illuminated by vibrant blue and red lights. The car's sleek, aerodynamic design is highlighted by the glowing accents. The front wheel and headlight area are prominent, with the headlight emitting a bright blue glow. The overall aesthetic is high-tech and modern.

Valtech and its JV, Valtech Mobility

**A combination that
transcends the
entire mobility ecosystem**

We are a leader in the automotive space.

**We've partnered with the
biggest names in the car
industry for over 20 years.**

We are uniquely positioned to deliver solutions across the **full automotive ecosystem**; we are designing the next gen in CX and delivering the cars of the future.

Industry View

When business agility comes down to, not only the ability to adapt and respond rapidly to market changes, but also being able to identify the opportunities to innovate and disrupt; the scalability and business agility of cloud technologies becomes a strategic choice.

Connected Cars

Drivers and riders demand a communicating car, one that allows them to interact with info on every facet of the vehicle and a full entertainment experience, personalized to their tastes.

Microservices & Micro-Moments

We are developing in-car solutions for our clients that enable them to unlock the services and revenue potential of third-party partnerships.
