Microsoft Fabric Scoping Workshop

Workshop

The aim of our Microsoft Fabric Scoping Workshop is to help your company understand the value of Fabric and its capabilities. We'll review your current setup, licensing, and help you define the key objectives you want to achieve with Microsoft Fabric.

Workshop Pricing - £1,500

The output of the workshop is a report that outlines the following key areas:

- ✔ Outline the overall Objectives for deployment of Fabric

- ✔ Create a rollout and adoption strategy plan

- ✔ Roadmap including Timelines and Key Dates

- ✔ Phased approach
  Fixed Priced Proposal
