VELRADA'S TRUSTED EXPERTISE: OUR D365 BUSINESS CENTRAL PRACTICE

Velrada has a dedicated D365 Business Central practice, staffed by a team of highly qualified and certified consultants. With deep expertise across both functional and technical domains, our consultants bring decades of knowledge to deliver advanced solutions tailored to client needs.

HEALTH CHECK SERVICES FOR BUSINESS CENTRAL

Leveraging our expertise, we offer Health Check services for Business Central implementations, including those executed by other partners. Our Health Check identifies both shortterm and longterm areas for improvement and delivers Quick Wins, with key suggestions provided immediately.

OUR HEALTH CHECK OFFERINGS:

- ✓ **Simple** (2 selected functional areas)
- ✓ **Complex** (4 selected functional areas)
- ✓ **Fullscope review** (12 days)

The Health Check process includes workshops and technical diagnostics, primarily focusing on Business Central.

We are also equipped to review NAV solutions with the goal of upgrading them to D365 BC.

DELIVERABLES AND SUPPORT

Following the Health Check, we will provide a comprehensive Roadmap outlining the next steps. Additionally, we offer ongoing support to ensure your system continues to perform at its best.
