How to get started in one week.

Improve employee wellbeing, your culture and decision making with Viva Insights

- Take advantage of Viva Insights to provide data-driven insights and recommended actions that empower people, teams, and organizations to focus on what's important, achieve balance, and build resilience.
- VENZO offers a structured approach on how to get started with Viva Insights.
- In collaboration with you, we help you deploy Viva Insights and adopt it within your organization.
- We can help assess and implement based on your specific needs, and therefore, the final price and duration is agreed together with you.

Our Approach: 1-Week Implementation.

Envision & Plan: 1-2 days

- Presentation of Viva Insights to uncover functionalities
- Initial assessment with key stakeholders to formalize your key objectives with Viva Insights
- Mapping and prioritization of key requirements and scope defining
- Plan roll-out

Technical enablement: 1-2 days

- Prepare technical foundation
- Deployment and license activation
- Platform configuration
- Data upload
- Data integrations and sync

Adoption: 1-2 days

- Training and end-user adoption on initial data (Workshop sessions + guides)
- Translating insights into actions

Thank you.

We are looking forward to our next meeting!
