Viva Learning Advisory. - by VENZO

Viva Learning help your employees to learn in the flow of work by bringing learning content to the place where they already work.

With extensive experience within the learning domain, we offer a structured approach ensuring you get the best out of Viva Learning – **all within one week.**

Our Approach: 1 Week Implementation

Assessment & Planning

For us to offer the best implementation and adoption of Viva Learning, we need to know how your organization works with learning today.

Assessment and planning will focus on below activities:

- Stakeholder assessment
- Workshop focusing on current learning landscape and employee journeys
- Plan for roll out

Deployment

We help you deploy the solution enabling your employees to take advantage of Viva Learning.

Deployment will focus on below activities:

- Enable Viva Learning
- Setup integration to SharePoint learning sources
- Integration to LMS systems

Change & Adoption

Once deployed, we anchor the solution and equip the end users with the required information. This is a critical phase of the implementation to ensure the necessary stickiness of Viva Learning.

Change and Adoption will focus on below activities:

- Change Management
- Training and end user adoption
- Guide catalogue
- How to manage Viva Learning (Governance)

Benefits investing in Viva Learning.

- Make learning a natural part of the day
- Enable employees to discover, share and engage with learning integrated into teams
- Have your learning content available in one place
- Empower leaders and employees to curate, recommend and track learning aligned with business outcomes
- Decrease employee turnover due to higher engagement and development
- One-stop shop for learning
- Enable social learning which no previous platform has succeeded in

Why VENZO?

At VENZO, we know the importance of having a skilled and engaged workforce. Lack of skills is a key barrier to future growth, and we know that employees usually have very limited time during their day to focus on upskilling and learning.

With Viva Learning, **we help your leaders and employees to make learning a natural part of their day**, thus enabling your organization to stay engaged and competitive.

Thank you.

We are looking forward to our next meeting!
