

5 UNIQUE COURSES

[LEARNWITHJUSTICEU.COM/HEALTHCARE](https://learnwithjusticeu.com/healthcare)

THE JUSTICE U HEALTHCARE RESPONSE TO HUMAN TRAFFICKING SERIES

Jointly provided by Postgraduate Institute for Medicine and the Alliance for Freedom, Restoration, and Justice®

This series contains essential knowledge and skills for healthcare professionals to recognize and respond to human trafficking effectively. The goal of the Series is to increase the number of human trafficking victims identified, recovered, and appropriately cared for by equipping health care providers in contact with victims and survivors of human trafficking.

Each course can be taken individually or in sequence - to build upon the knowledge gained before.

Course Details

TARGET AUDIENCES: These courses are intended for healthcare professionals across all healthcare settings.

COURSE 1:

Human Trafficking Awareness for Healthcare Professionals

EDUCATIONAL OBJECTIVES:

After completing this activity, the participant should be better able to:

- Define human trafficking and related terms that could affect healthcare.
- Distinguish common myths from facts about human trafficking.
- Identify vulnerable populations and risk factors, as well as how they connect with your work in healthcare.
- Define key factors that are behind trafficking behaviors.
- Recognize key indicators and how these might appear in a healthcare setting.
- Describe how to report suspected human trafficking as a healthcare professional.
- Describe challenges that can arise when working to end human trafficking.
- Recognize the role of key organizations and agencies working to address human trafficking, and ways members of a healthcare team can work together to address human trafficking.

LENGTH: 1 Hour

CREDITS OFFERED: This activity is eligible for CNE, ANCC, AAPA, ASWB, and IPCE credit.

EXPIRATION: Participants must complete the program and request credit no later than February 16, 2026.

COURSE 2:

Health Impact of Human Trafficking

EDUCATIONAL OBJECTIVES:

After completing this activity, the participant should be better able to:

- Describe how knowing the health impact of human trafficking relates to being able to recognize indicators.
- Recognize physical health conditions associated with human trafficking.
- Recognize mental health conditions associated with human trafficking.
- Describe how substance use and abuse affect health impact, related to human trafficking.
- Describe how age and stage of development relate to the health impact of trafficking.
- Describe how barriers to health care relate to the health impact of human trafficking.

LENGTH: 1.5 Hours

CREDITS OFFERED: This activity is eligible for CNE, ANCC, AAPA, ASWB, and IPCE credit.

EXPIRATION: Participants must complete the program and request credit no later than February 16, 2026.

COURSE 3:

Human Trafficking Identifications & Assessment in Healthcare

EDUCATIONAL OBJECTIVES:

After completing this activity, the participant should be better able to:

- Describe the benefits of working with a human trafficking response protocol.
- Recognize the critical components of an effective human trafficking protocol.
- Recognize the value of incorporating patient-centric approaches into protocols for trafficked patients.
- Identify key aspects of safe screening, assessment, and initial response procedures.
- Identify key aspects of effective physical exam and documentation guidelines.
- Identify legal protections and restrictions for providers and trafficked persons.
- Identify key aspects of knowledgeable referrals and coordinated case management.
- Recognize the value of debriefing and evaluation procedures.
- Analyze practices and protocols within your own facility.

LENGTH: 1 Hour

CREDITS OFFERED: This activity is eligible for CNE, ANCC, AAPA, ASWB, and IPCE credit.

EXPIRATION: Participants must complete the program and request credit no later than February 16, 2026.

COURSE 4:

Human Trafficking Protocols in Healthcare

EDUCATIONAL OBJECTIVES:

After completing this activity, the participant should be better able to:

- Recognize when and why to initiate response protocols for human trafficking.
- Recognize the value of incorporating patient-centric approaches into response protocols for trafficked patients.
- Identify key aspects of safe screening, assessment, and initial response procedures, as well as for effective physical exam and documentation guidelines.
- Identify legal protections and restrictions for providers and trafficked persons.
- Identify key aspects of knowledgeable referrals and coordinated case management.
- Recognize the value of debriefing and evaluation procedures.
- Analyze practices and protocols within your own facility.
- Recognize barriers that can affect response and follow-up protocols.

LENGTH: 1 Hour

CREDITS OFFERED: This activity is eligible for CNE, ANCC, AAPA, ASWB, and IPCE credit.

EXPIRATION: Participants must complete the program and request credit no later than February 16, 2026.

COURSE 5:

Collaborative Engagement in Healthcare to Address Human Trafficking

EDUCATIONAL OBJECTIVES:

After completing this activity, the participant should be better able to:

- Identify opportunities and barriers for engagement of various health professionals, within the organization.
- Identify opportunities and barriers for engagement between healthcare organizations and their surrounding communities.
- Recognize ways that leaders in healthcare organizations can effectively support better engagement around responding to human trafficking.
- Analyze possible engagement needs within own facility and community.

LENGTH: 30 Minutes

CREDITS OFFERED: This activity is eligible for CNE, ANCC, AAPA, ASWB, and IPCE credit.

EXPIRATION: Participants must complete the program and request credit no later than February 16, 2026.

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

JOINT ACCREDITATION STATEMENT

In support of improving patient care, this activity has been planned and implemented by the Postgraduate Institute for Medicine and the Alliance for Freedom, Restoration, and Justice® (AFRJ). Postgraduate Institute for Medicine is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Available Credits

The entire Justice U Healthcare Response to Human Trafficking Series contains 5 credit hours total. However, each course can be taken independently for only the topics and credit hours needed by the learner.

PHYSICIAN CONTINUING MEDICAL EDUCATION

The Postgraduate Institute for Medicine designates this enduring material for a maximum of 3.5 AM PM Category 1 Credits™. Approval is valid until the date noted in the Course Details version of this brochure. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The entire Series contains 3 credit hours. Each course can be taken independently for only the topics and credit hours desired by the learner.

CONTINUING SOCIAL WORKER EDUCATION

As a jointly accredited Organization, Postgraduate Institute for Medicine-PIIM is approved to offer social work continuing education by the Association of Social Work Boards (ASWB) Approved Continuing Education (ACE) program. Organizations, not individual courses, are approved under this program. State and provincial regulatory boards have the final authority to determine whether an individual course may be accepted for continuing education credit. Postgraduate Institute for Medicine maintains responsibility for this course. Social workers completing this course receive 3 culture continuing education credits.

CONTINUING PHYSICIAN ASSISTANTS' EDUCATION

The Postgraduate Institute for Medicine has been authorized by the American Academy of PAs (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with AAPA CME Criteria. This activity is designed for 3 AAPA Category 1 CME credits. PAs should only claim credit commensurate with the extent of their participation.

CONTINUING NURSING EDUCATION

The maximum number of hours awarded for this Continuing Nursing Education activity is 3 contact hours.

INTERPROFESSIONAL CONTINUING EDUCATION

This activity was planned by and for the healthcare team, and learners will receive 3 interprofessional continuing education (IPCE) credit for learning and change.

Faculty & Supporting Team

THANK YOU TO OUR SPONSOR

The Healthcare Response to Human Trafficking Series is supported by funding provided by Elevance Health (elevancehealth.com).

Anderson is committed to raising awareness about human trafficking. Their sponsorship supports continued research and collaboration with national experts to act in the fight against human trafficking.

Disclosure of Conflicts of Interest

Postgraduate Institute for Medicine (PIIM) requires instructors, planners, managers, and other individuals who are in a position to control the content of this activity to disclose any real or apparent conflict of interest (COI) they may have as related to the content of this activity. All identified COIs are thoroughly vetted and resolved according to PIIM policy. PIIM is committed to providing its learners with high quality activities and related materials that promote improvements in quality in healthcare and not a specific proprietary business interest of a commercial interest.
