Material Science Intelligence at your fingertips

May 2025

The Manufacturer's Dilemma:

Increased margin pressure coming from multiple directions

**Hidden
Supply Chain
Risks &
Product
survival**

**Rising
Liability &
Compliance
Exposure**

**Moving
Regulatory
Targets**

**Volatile
Supply &
Costs**

Inaction leads to competitive disadvantages

Failing to act today creates obstacles for tomorrow

Costs

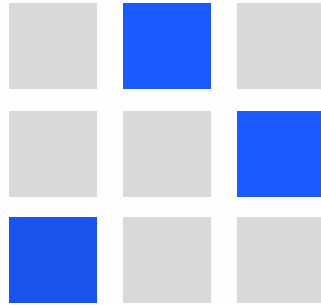

Cycle Times

Risks

Welcome to the future – Viridium AI

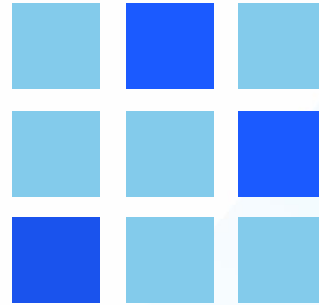

Industry's first and leading **Material Science Intelligence Platform**

Data Unification

1

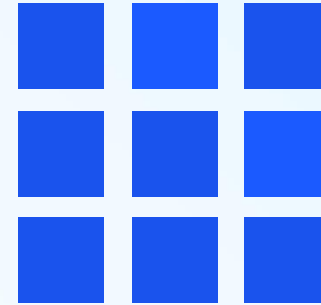

Data Foundation:
Bring your material,
product, supplier, and
site-level data,
documents

Material Assessment

2

Data Enrichment:
Viridium AI fills-in-the-
gaps with layered
intelligence

Digital Twin

3

Data Activation:
Viridium AI generates
an actionable,
material repository
ready for use

Let's get in touch
