

Enable Frontline Workshop

Get ready to achieve more with Microsoft Teams

As the hub for teamwork, Microsoft Teams is designed to help organizations improve collaboration and increase efficiency by automating key business processes. With the **Enable Frontline Workshop**, you will learn how this Microsoft funded program can help empower your frontline employees with the tools they need to stay connected, productive, trained, and upskilled while maintaining business security and governance.

See What's Possible

At VNEXT, our consultants will walk you through the art of the possible, working with you to identify unique needs of your frontline workforce to help solve your specific collaboration challenges. During the workshop, we'll develop an actionable plan based on your frontline workforce needs to help you move forward.

With extensive solution development experience, **VNEXT** can help you improve workforce productivity through identifying top prioritized scenarios in your frontline workforce, leveraging the Teams platform. We will work with you to understand your environment and identify opportunities to help you achieve continuous business value from your Teams investment. With industry and technology experience, you can count on us as your trusted partner in your transformation journey.
