

## Microsoft Viva Connections

A new employee platform that is devised to enable communication, learnings, knowledge, resources, and insights of the work environment

### What is Microsoft Viva?

Discover how Microsoft Viva helps organizations deliver personalized experiences to their employees with news, tasks, and conversations, provide data-driven insights and recommendations, organize content and expertise, and deliver formal and informal learning when and where it's needed.

### What are we offering?

#### Phase 1- Access:

- A prioritized list of business scenarios that can be addressed by deploying Microsoft Viva
- Recommended preparation in terms of skills and best practices
- A roadmap outlining potential workstreams and dependencies with clear next steps
- An adoption framework

#### Phase 2 - Art of the Possible:

- Gather information on key business scenarios
- Define scope
- Identify business stakeholders
- Introduce Microsoft Viva

#### Phase 3 - Design and Plan:

- Showcase employee experience transformation
- Microsoft Viva overview with selected pathways
- Demos and immersive experiences

#### **Workshop Activities and Deliverables:**

- A prioritized list of business scenarios that can be addressed by deploying Microsoft Viva
- Recommended preparation in terms of skills and best practices
- A roadmap outlining potential workstreams and dependencies with clear next steps
- An adoption framework
