

**WAMS**  
IT CONSULTING TRANSFORMED

IT support is the backbone of many successful businesses, especially when we make sure the technological side of your business is running smoothly so you can focus on what really matters. Whatever the size of your business, our IT support team can protect your IT infrastructure against digital threats, analyze technical problems and deliver highly skilled solutions.

### **CLOUD COMPUTING**

**No contracts and 24 hour support** with our Cloud Connect, turnkey cloud solution.

### **MANAGED IT SERVICES**

Cut your IT budget by **30-50%**, increase security, and keep your servers running smoothly.

### **PROJECT & CONSULTING**

**Customize** the level of service you need to perfectly fit the needs of your firm or business.

## **Fortify Your Business**

We offer IT consulting services that will help improve your software architecture, create a tech-driven digital strategy, and improve operations by optimizing your software stack.

**EFFECTIVE COST**

**LIVE SUPPORT**

# Services Offered

# Our IT Consulting Process

For over 45 years, WAMS has been helping firms and businesses of different sizes and structure to improve and modernize their IT strategies for a seamless transition.

## ACCESS

We will study your existing software solutions and identify problems in workflows and automations.

## ACTION

We will implement the latest software, train your employees and proactively monitor your network 24/7.

## STRATEGIZE

We will formulate a plan and set goals to protect your IT infrastructure against threats, analyze technical issues, and deliver highly skilled solutions.

## PERFORMANCE

We will provide monthly reports and recommend steps for future improvements.

# WHAT OUR CLIENTS SAY

"WAMS is my 'go to' resource for many of the firm's technology needs. They are **professional**, responsive, and always listen to us as their client to act **quickly** and accordingly...WAMS helps me get the job done and to get the job done right. I would **recommend** WAMS to anyone who needs **trustworthy** and **quality** help with their IT!"

**Michael Bramwell**

Director of IT, Atkinson, Andelson, Loya, Ruud & Romo

**OVER 100**  
**LOYAL CLIENTS**

"WAMS is very **proactive**, and we have less downtime than we've ever had before. I would **recommend** WAMS to anyone looking for IT support regardless of the size of the company. WAMS is very **capable** of helping any size firm... we are a smaller client, but I also know that we receive the same time and **attention** as their larger clients."

**Laura Whipple**

Office Administrator, Adams Kessler

"Their team provides the information we need to make the right decisions for our firm, and WAMS is our **trusted** provider. They have kept our system running smoothly and always have solutions that are sound and **reliable**. With our systems at the forefront of keeping our firm **efficient** and competitive, WAMS is our IT solution!"

**Jessica Daugherty**

Director of Administration, Wesierski & Zurek

"WAMS is the **backbone** of our IT infrastructure. Thank you for the **support** through the years, Kevin. Special mention to these guys who are **knowledgeable** in their field and understand me well; Brent, Adam, and Vahagn."

**Rita Bautista**

Network Administrator, Wesierski & Zurek
