STREAMLINE
INNOVATION

A Holistic Approach to Device Selection, Deployment, and Management

Simplify the way your business handles device lifecycle management with an all- in-one solution that streamlines device governance & innovation, asset records, and device management & tracking.
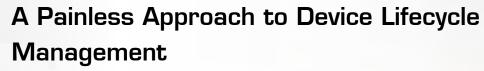

WBM Technologies Inc.

On-Demand Scalability for All Your Device Lifecycle Management Needs

Provisioning, deploying, managing, and tracking the devices your organization relies on puts a lot of strain on your IT department.

WBM's Device Lifecycle Management as a Service is a multifaceted program that provides you with on-demand scalability and flexibility when it comes to device lifecycle management. Enjoy predictable per device pricing with an exclusive service that fills in your technological gaps.

A Painless Approach to Device Lifecycle Management

FIND THE RIGHT DEVICES FOR THE JOB

Improve the way your employees work by giving them the tools they need to do their best work. WBM analyzes your workflows to find devices that cater to the specific needs of your workforce.

ON-DEMAND SCALABILITY WHEN YOU NEED IT

Turn device lifecycle management into a predictable experience. Quickly provision and deploy new devices with a service that prioritizes accessibility and scalability.

PREDICTABLE DEVICE LIFECYCLE MANAGEMENT PROCESSES

Device lifecycle management is a complex process with many steps. WBM reduces friction by introducing predictable processes through an all-inclusive service.

TRANSPARENT ASSET RECORD MANAGEMENT

Spend less time recording and managing your devices and more time focusing on important tasks. WBM streamlines all aspects of asset tagging, configuration, and deployment.

INDUSTRY-LEADING SUPPORT AT YOUR DISPOSAL

Minimize disruption with access to WBM''s award-winning support. Our Device Lifecycle Management as a Service comes with end-user device service and support at all stages.

LEVERAGE WBM'S PROVEN EXPERTISE

Large enterprises across Western Canada are using this service to reduce costs, improve operational efficiency, and simplify device lifecycle management.

Our Services
